Summer Reading

May 2025

Hello BLR Families!

Attached you will find the assigned summer reading for your student. We are committed to introducing our students to works of literature that are rich in content and that will invite conversations about the human person, morality, and empathy within the family. The books we have chosen for our students to read over the summer will help them to develop a sense of wonder about the world, as well as engage them in thoughts and dialogue about the characters and the story. I invite you to read along with your student, this will become precious time for you and your child to spend together. Students are required to complete their assigned book before the beginning of the school year. Teachers will have classroom discussions and activities based on the book their students read over the summer. In addition to their required summer reading this summer I am challenging all of our students to read more than just the required book. We will be having our first ever BLR Summer Read-a-thon. Each student should set a goal of a number of pages to read. The student in each grade who reads the most pages by the end of summer will receive recognition at the beginning of the school year. There is a form attached for students to log the pages they read. Students can turn logs in on the first day of school.

Happy Reading!
