SACRAMENTS

INQUIRERS

The Rite of Christian Initiation of Adults (R.C.I.A.) is the process through which persons inquire into and determine if they are called to live out their faith as a member of the Roman Catholic Community. For more information, please contact Brad Romantic at bromantic@cotna.org or the Parish Office at 614-855-1400.

BAPTISM

INFANTS & CHILDREN: In the **Infant Rite of Baptism, celebrated with children up to the age of reason**, the parents make a profession of faith for their child and accept the responsibility of nurturing God's gift of faith in their child as he/she grows and matures and is formed in many ways. Therefore, parents are asked to attend a **Parent Preparation Session (preferably during pregnancy) before the child's baptism**. The goal of this session is to provide an opportunity for faith reflection and sharing with the support of other parents. The discussion centers on the celebration of the sacrament of Baptism and the challenges of our own faith and how we might pass our faith on to our children.

Sessions are usually held at **12:30 p.m. on the 4th Sunday of the month, in the OLR Chapel**.

Register on the parish website. Following registration, a response with further information will be sent to you. Scheduling of the Baptism will take place **after attending the Parent Session**.

SCHOOL AGE CHILDREN: Parents will be asked to meet with **Peggy Kehres, Coordinator of Children's Ministry, after attending the Parent Session**. At this time, appropriate preparation will be planned based on the needs of each child.

FOR MORE INFORMATION: Contact Mary Koors, 614-855-8861 or marykoors@gmail.com.

SOLIDARITY FUND FOR THE CHURCH IN AFRICA

The Solidarity Fund for the Church in Africa was founded on the basic principles of Saint John Paul II's call to action in Ecclesia in Africa and the adoption of the statement A Call to Solidarity with Africa from the bishops of the United States. Africa faces the economic and social hurdles of enormous debt, epidemic, severe poverty, and political unrest. In spite of these challenges, the Church in Africa has almost tripled in size in the past 30 years. But the Church in Africa needs help sustaining this growth, and the Fund helps with that. Our solidarity is needed to help the "salt of the Earth" Church in Africa realize its potential as a "light of the world." Information on how to donate will be available soon.

RADIO FUN THAT WILL LEAVE YOU SMILING, Sept. 20-22

Fr. Kigozi will be on the radio on Friday, September 22nd, from 12:15 PM to 1:00 PM. Fr. Kigozi will be playing on a team with two other priests, in a basketball tournament to see which priest team will win the gold medal! For every donation made in his name prior to or during the **AM820** radio event, Fr. Kigozi's team will receive additional shots.

To make a donation call **(614) 459-4820** or go to **www.StGabrielRadio.com** and be sure to write **Fr. Kigozi's** name in the "comments" section.

CREATION CARE CORNER

The Season of Creation is a month-long prayerful observance that calls upon Catholics to pray and care for God's Creation. **It runs September 1st and ends October 4th.** It's a time of reflection on our relationship with the environment, how we live, and how our lifestyles impact the natural world, humans and other creatures inhabiting it. This is a time of restoration and of hope, but also a time for action. It's a time we can take to educate ourselves on new ways of living with Creation that better care for both people and the planet. It's a time to craft plans and implement those changes.

What changes will you make as an individual to contribute to a more just and sustainable future? Have you considered joining your parish Creation Care Team, or starting one? The Catholic Climate Covenant has great resources to get one started. Consider reading the encyclical *Laudato Si'*, a great source of inspiration and motivation.

As Pope Francis said, "this is the season for letting our prayer be inspired anew," a season "to reflect on our lifestyles," and a season "for undertaking prophetic actions . . . calling for courageous decisions . . . directing the planet towards life, not death."

CONTEMPLATIVE MOMENT

"By virtue of creation, and still more the Incarnation, nothing here below is profane for those who know how to see."

Practicing Catholic– Recognize God in Your Ordinary Moments

The Hateful Things We Hug Tight- By Colleen Jurkiewicz Dorman

At the end of “Lord of the Rings: Return of the King,” Gollum fights with Frodo for possession of the One Ring. He wins the fight, but in doing so topples over the edge of the mountain ledge, falling into the cavernous fires of Mount Doom. As he falls, we see him smile, and clutch the ring to his chest. He is happy. He has won what he spent his life pursuing.

It is only in the last millisecond before his face slips below the lava that we see his eyes widen in terror as he realizes the truth: the thing he clutches to his heart is the thing that killed him. In choosing the ring, he chooses death.

Sin, and the fallen nature of this world, makes us addicted to something that kills us.

Like any addiction, it is a vicious cycle. The less we forgive, the more hardhearted we become ... and the less we seek forgiveness ourselves.

What breaks the cycle? Reconciliation with God — or, Confession, as we call it. In fact, it does more than break the cycle. It turns it backward. Not only does it detoxify our souls of sin, it weakens our addiction to sin’s effects — anger, vengeance, unforgiveness. The confession of evil works is the first beginning of good works, said St. Augustine.

Ultimately, I view our whole human life as a struggle on the ledge of a mountaintop. It is certain that we will choose sin — we always do. We will tumble over the side, toward ruin. But let us be Frodo, and not Gollum. Let us cling to the rock of the sacraments and accept the hand that would drag us away from the flames.

“Wrath and anger are hateful things, yet the sinner hugs them tight.” — Sirach 27:30

The Year of Eucharistic Revival– Draw Closer to the Eucharist

Eucharistic Miracle of Saint-Andre de la Reunion, 1902

“It was January 26, 1902. We were celebrating perpetual adoration (the Forty hours devotion).

The Most Holy Sacrament was exposed in the tabernacle. I began to celebrate the Mass. After the elevation, at the moment of the Our Father, my eyes were lifted toward the Host and I saw a bright halo around the rays of the monstrance... After Mass, I went to the sacristy and summoned the older children from the choir to go to the altar and closely observe the monstrance.

“The children raced back and told me: ‘Father, we see the head of a man in the Host. It is the good Lord revealing Himself!’ I understood then that the vision was authentic. A young man of 16, Adam de Villiers, who had studied in a college in France, also arrived. I said to him as well:

‘Go in the church and see if you notice something strange in the tabernacle’. The young student went to the sacristy and returned immediately, saying: ‘Father, it is the good Lord who appears in the Host. I see His divine face’. Since then, all my doubts disappeared. Slowly the entire town went to the church to see the miracle. Journalists and people from the capital of Saint Denis also arrived. The face on the Host suddenly became animated and the crown of thorns disappeared. I used every possible precaution, and fearing the effects from the rays of light, I had all the candles extinguished and the shutters closed. The phenomenon became even more clear.

There was a young artist among the visitors who faithfully reproduced the face in the Host. Later, the vision changed again and a crucifix appeared which covered the entire Host from top to bottom. After the Eucharistic blessing and recital of the Tantum Ergo, the vision disappeared.”

Gospel Meditation

September 17, 2023– 24th Sunday in Ordinary Time

When I was in second grade, my prized possession was a metal Star Wars-themed lunch box. After school one day, another student ripped it from my hands. I helplessly watched in horror as my classmate threw it to the ground and violently stomped it into an unrecognizable heap of junk. I came home covered in tears of shame and rage. After a few months, I never thought about it again ... until I was almost thirty years old and on a retreat to prepare for ordination to the priesthood.

That childhood memory — and the attendant outrage — came back afresh. My spiritual director helped me in the process of acknowledging that I was angry because that kid owed me my lunch box. Then she helped me, through the grace of Jesus, to forgive the debt. Almost immediately I felt a new peace. I was amazed that I hadn't forgotten what I had lost, even from years before. Aren't we human beings simply amazing at remembering what people owe us?

We see this week in Jesus' parable a servant who is forgiven much but then commands another servant: "Pay back what you owe!" He can't forget or let go of how he was wronged. He remembers — and he becomes a monster because of it. If only he had remembered not only the debts owed to him, but also his greater debt owed to — and forgiven by — his master. It's natural for us to remember what others owe us. But when we contextualize those offenses in Jesus' mercy toward us and them, we're free to be merciful like the Master and less like a monster who never forgets.

— Father John Muir

The Reluctant Saint: The Story of St. Joseph Cupertino

This film portrays the life of St. Joseph of Cupertino, the humble Franciscan friar who literally rose to sainthood. In the impoverished village of seventeenth century Cupertino, Italy, Joseph's peasant mother convinces the reluctant abbot to accept her son into the monastery. With the support of the kindly local bishop who sees in him a great deal more than others do, and by a series of miraculous incidents, the simple but pious Joseph is ordained a priest.

CATECHETICAL SUNDAY 2023

Catechetical Sunday will be celebrated at all masses this weekend. The 2023 theme is **"Come to me, all you who labor and are burdened."** This year's theme reminds us of the invitation we receive from the Lord Jesus to follow Him and the promise that He doesn't want to add to our burdens; he wants to lighten them. Those who the Community has designated to serve as catechists will be called forth to be commissioned for their ministry. Catechetical Sunday is a wonderful opportunity to reflect on the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. Catechetical Sunday is an opportunity for all to rededicate themselves to this mission as a community of faith.

What Does the Word “Catechetical” Mean?

The word might be more familiar than you think. Many Catholics have used the word "catechism" for years, and they know it has something to do with the compendium of the Church's teachings. The root word, "catechesis," is from a Greek word meaning "to echo, or resound." Catechesis is the act of resounding or bringing the Church's teachings to the world. A catechist is one who teaches in the name of the Church.

Why do we have a special day set aside to commission catechists?

Catechesis is a distinct and special ministry in the Church. As the Catechism of the Catholic Church makes clear, "Catechesis is intimately bound up with the whole of the Church's life . . . her inner growth and correspondence with God's plan depend essentially on catechesis" (no. 7). This ministry of teaching in the name of the Church has a profound dignity, which is why catechists are formally commissioned by the Church. It is only fitting that we set aside a day to highlight this ministry and invite the entire church community to think about our responsibility to share our faith with others.

How are parents, the primary catechists of their children, recognized on Catechetical Sunday?

Parents are truly the primary catechists of their children. They prepare the soil and plant the first seeds of faith. On Catechetical Sunday, we not only highlight the work of catechists in parishes and schools, but we also commend parents and guardians and encourage them to take seriously their role of making their Catholic households a place where faith is passed on to the next generation.

CHURCH OF THE
RESURRECTION

NATIONAL
**Eucharistic
Revival**

HAVE YOU HEARD?

In 2019, a Pew Study indicated nearly 37 percent of surveyed Catholics fully believe in the Real Presence of Jesus in the Eucharist. This stark reality inspired the Bishops of the United States to action. The National Eucharistic Revival is a three-year initiative called for by the Bishops of the United States. It is a historic and transformative national movement to help the faithful fall in love with Jesus, especially in the Eucharist, and be inspired and equipped to share that love with others. The Eucharistic Revival has just completed the first phase (the diocesan phase). We are now entering Year Two—the Year of Parish Revival (June 2023–June 2024).

TAKE FIVE FOR FAITH

Each one, teach one

Teachers, preachers, and professors have their place. But most of us learn life lessons more broadly. The first school is our home environment. Groups we affiliate with and wider media influences also communicate their values. In 1935, the Vatican called for special acknowledgment of how our parish catechists pass on the faith. While it's right to honor our DRE or religion teachers on this Catechetical Sunday, let's recall too the role of parents and indeed all parishioners in modeling a life rich in love, generosity, compassion, and forgiveness. Catechists literally "echo" the example of Jesus. Deliver your echo boldly!

Make of your life a mission of peace

In an address to the World Council of Churches in Evanston, Illinois in 1954, Dag Hammarskjöld, the second United Nations secretary-general (1953-61), referred to churches as the "guardians of ... the deepest beliefs and the loftiest dreams ..." of humanity. He died in a plane crash on this date while on a peace mission in the Congo and is the only person to receive the Nobel Peace Prize posthumously. Pope Francis praised him in 2015 for giving his life for "reconciliation among peoples." May the example and inspiration of Hammarskjöld, and the many who work to end conflict in the world, unite the people of God in their pursuit.

The real magic of relics

The significance of saintly relics is best understood in light of basic Catholic teaching: Relics aren't talismans born of superstition, nor are they magical souvenirs from worship-worthy saints. Moreover, relics deserve the same basic respect as other human remains. This is key because, historically, relics have been the subject of misunderstanding and abuse, everything from pilgrims who would steal bits of saintly bodies to Martin Luther's objection when relics were sold and hoarded like baubles. God alone works miracles and is worthy of worship. Saints merely agree to be the conduit—in obedience to Divine Love—sometimes paying the price with their martyrs' blood. Consider: The real miracle of Januarius' blood might be that he was willing to sacrifice it.

Be inspired to broaden your concern

On this day in 1918, at the age of 58, Mary Theresa Dudzik entered into eternal life. She accomplished a lot of good in her time on Earth. After immigrating to Chicago from Poland at 21, she would invite poor elderly women and girls to her home. "I felt the misery and suffering of others, and it seemed to me that I could not love Jesus, or even expect Heaven if I were concerned only about myself," she wrote. Dudzik started the Franciscan Sisters of Chicago in 1893, the first order of religious women founded in

Chicago. The community devoted itself to aiding the elderly and those in need. She received the honorary title of "Mother" in 1948 and is now a candidate for sainthood. Learn more about Venerable Mary Theresa Dudzik and her heroic virtue.

Witness value

When the name Saint Matthew comes up, many people recall him as the tax collector apostle who wrote the Gospel of Matthew. Modern scholarship has challenged the belief that Matthew the apostle wrote the gospel with his name on it, and other details of Saint Matthew's death by martyrdom cannot be definitively proven. Maybe having precision about all aspects of Matthew's life is not the most important factor in this feast, however. The church celebrates Matthew for being a faithful apostle and evangelist, things to which every Christian can aspire. Does your life evangelize, that is, bear witness to your belief?

FEAST OF MATTHEW, APOSTLE AND EVANGELIST

TODAY'S READINGS: Ephesians 4:1-7, 11-13; Matthew 9:9-13 (643). *"Live in a manner worthy of the call you have received, with all humility and gentleness, with patience."*

Delve into fresh spiritual classics

The Spirit dwells in each of us and is expressed in myriad ways. The church treasures this rich diversity as "refractions of the one pure light of the Holy Spirit," as the Catechism of the Catholic Church puts it. Too often erased historically, the experiences of women haven't always been allowed to shine as brightly, however. And so we lift up writers such as Monica Coleman, Gloria Anzaldúa, Mary Oliver, Jung Eun Sophia Park, and Phyllis Tickle, renowned spirituality author who died on this date in 2015. Read one of these or another author whose particular "refraction" resonates with your own.

TODAY'S READINGS: 1 Timothy 6:2c-12; Luke 8:1-3 (447). *"Pursue righteousness, devotion, faith, love, patience, and gentleness."*

The essentials of sainthood

Controversy shadowed the life of the mystical Padre Pio, as Pius of Pietrelcina was known. He was said to bear the stigmata, or wounds of Christ, though detractors claimed he manufactured the wounds with carbolic acid. However one views such claims and counter claims, the undeniable fact is that he was a compassionate counselor to the thousands who came to see him during his lifetime, a tireless servant who lived a simple life. At Padre Pio's canonization Mass in 2002, Saint John Paul II said: "The life and mission of Padre Pio testify that difficulties and sorrows, if accepted with love, transform themselves into a privileged journey of holiness, which opens the person toward a greater good, known only to the Lord." You don't have to be a mystic or stigmatist to mirror the ministry of Christ in your own life—all you need is a kind heart and generous spirit.

MEMORIAL OF PIUS OF PIETRELcina, PRIEST

TODAY'S READINGS: 1 Timothy 6:13-16; Luke 8:4-15 (448). *"And some seed fell on good soil, and when it grew, it produced fruit a hundredfold."*
