Loving God, thank you for all the mothers in the world.

Bless them so that they may always give life and nourishment to their children through their firm faith, generous and selfless love, good example and constant concern for their bodily and spiritual health.

Grant that we, their children, may honor them always with a spirit of profound love, respect and thanksgiving.

Grant this through Christ our Lord.

May 14 || Recognize signs of grooming behavior

Many adult predators “groom” their victims, creating an emotional and psychological connection with a child to lay the groundwork for future sexual abuse. Some basic signs of child grooming can include taking an undue interest in someone else’s child, or calling a child a “special friend.” Groomers may give money or gifts for no reason, or invite a potential victim on isolated day trips or outings without the child’s parents. For more signs of grooming behavior, read the VIRTUS® article “The Sometimes Hostile Community Response Regarding the Allegation of Child Sexual Abuse” at lacatholics.org/did-you-know/.
