

PATCHES of PRAYER

Lenten Prayers From St Augustine Parish

This Lent, let our Parish Community join in a special effort of Prayer for others.
Let us build a visual memorial of our prayers.

Visit the table in the Church Vestibule

Choose a person to pray for.
Anyone in the world - should not be an immediate family member
because you should be praying for them regularly

Write their name on a slip of paper.
Place it in the jar.

Decide on the prayer you will do for that person. We recommend a 5 Decade Rosary. Other possibilities: Several Divine Mercies; 7 Our Fathers- 7 Hail Marys – 7 Glory Be; an additional Mass; extra time in Adoration in the Chapel or before the Tabernacle.

Select a swath of fabric and place in *Prayers in Progress* basket

Complete your selected prayer

Move a swath of fabric from the *Payers in Progress* basket to the *Completed Prayers* basket

After Lent ends, we will gather the swaths of fabric and sew them into a quilt.
The finished quilt will be a memorial to our community effort in Prayer.
