HABITS

Note: This list is **not** all encompassing and Spiritual advancement options that are not listed are welcome!
Pick 1 or 2 HABITS for the year (as a family is great, too!) and really work on those HABITS. Put a reminder up if you need!

H- Hang time with God: regular personal prayer and quiet time

☐ **Keep a prayer journal**

How to: The more you listen to the Holy Spirit's voice, the easier it gets to hear it. Writing about how the Spirit is working in your life can, over time, make you more conscious of God's will. Have you ever had that sudden inspiration to say or do something, but repressed it because it was outside our comfort zone? Keep a record in your journal of the times you felt God nudge you like this, and whether you responded. It becomes a brief examination of conscience and makes you sensitive to whether you are staying open to God's calls. You might also include any inspiring words from others or events through which God spoke to you that day.

☐ **Attend Adoration**

Make guidelines for yourself! When will you go and for how long? (start simple and build up)

☐ **Form personal devotions: The Rosary, Lectio Divina, Divine Mercy Chaplet, etc.**

When? How many times a week?

"Bring me my weapon" – St. Padre Pio referring to his rosary.

☐ Make a tithing commitment

Tithing isn't just for parents! What will you tithe? How much?

☐ Fast

From what will you abstain? For how long? Note: You can fast from more than food – Social Media, electronics, your pillow, etc!

St. John Paul II the Great on Fasting:

"Fasting is to reaffirm to oneself what Jesus answered Satan when he tempted him at the end of his 40 days of fasting in the wilderness: 'Man shall not live by bread alone but by every word that proceeds from the mouth of God' (Mt 4:4)... Today, especially in affluent societies, it is difficult to grasp the meaning of these Gospel words. Consumerism, instead of satisfying needs, constantly creates new ones, often generating excessive activism. Everything seems necessary and urgent and one risks not even finding the time to be alone with oneself for a while . . . Penitential fasting is obviously something very different from a therapeutic diet, but in its own way it can be considered therapy for the soul. In fact practiced as a sign of conversion, it helps one in the interior effort of listening to God"

I fully understand and commit to the following Habits set for myself leading up to Confirmation. **I will rely on help from my parents & family, friends, mentor & Ss. John and Paul Parish community for support.** I understand that I will need to interview with Maria for 20 minutes, write a letter to my future mentor, spend 30 minutes during the Meet Your Mentor Evening, work on my HABITS, meet with my mentor 7 times, and attend the Confirmation retreat.

As parents or guardian of my son or daughter I understand my importance as the primary role as educator of the Catholic Faith and will make Confirmation a priority in my child's life. I will support my child and help with their Habits this Confirmation year as they set their own personal faith goals and work on my own personal faith goals along with them.
