Thirteenth Sunday of Ordinary Time

June 26th, 2022

We Proclaim Christ to the Whole World

Not to preach the Gospel would be my undoing, for Christ himself sent me as his apostle and witness. The more remote, the more difficult the assignment, the more my love of God spurs me on. I am bound to proclaim that Jesus is Christ, the Son of the living God. Because of him we come to know the God we cannot see. He is the firstborn of all creation; in him all things find their being. Man's teacher and redeemer, he was born for us, died for us, and for us he rose from the dead.

All things, all history converges in Christ. A man of sorrow and hope, he knows us and loves us. As our friend he stays by us throughout our lives; at the end of time he will come to be our judge; but we also know that he will be the complete fulfillment of our lives and our great happiness for all eternity.

I can never cease to speak of Christ for he is our truth and our light; he is the way, the truth and the life. He is our bread, our source of living water who allays our hunger and satisfies our thirst. He is our shepherd, our leader, our ideal, our comforter and our brother.

He is like us but more perfectly human, simple, poor, humble, and yet, while burdened with work, he is more patient. He spoke on our behalf; he worked miracles; and he founded a new kingdom: in it the poor are happy; peace is the foundation of a life in common; where the pure of heart and those who mourn are uplifted and comforted; the hungry find justice; sinners are forgiven; and all discover that they are brothers.

The Shroud of Turin

4 part video series

This is the definitive, most up to date collection of 4 stunning films on the

Shroud of Turin that spans 38 years of award-winning filmmaking on the Shroud by acclaimed British film producer and director David Rolfe.

This incredible collection includes the British Academy Award winning film, *The Silent Witness*, made in 1978; the remarkable film commissioned by the BBC in 2008, *Shroud of Turin*; the Official Film of the 2010 Exposition of the Shroud in Turin, *Shroud*; and, new for this edition, *A Grave Injustice*, telling how a recent carbon dating test of the Shroud that purportedly shows it to be a medieval fake was seriously flawed, and that a more accurate test has yet to be made.

All four films use the latest scientific, historical, medical and archaeological research on the Shroud to reveal all the evidence for the authenticity of it as the burial cloth of Christ. The foremost experts worldwide on the Shroud were involved with these films, and Rolfe's film crew were given unprecedented access to the Shroud and filmed it in high definition.
