Observations from the committee include:

Parishioner drop was due to an update based on outreach and mobility.

The Parish recently sent out a correspondence and registration verification to confirm active parishioners.

Content and material for the next Stewardship Report was discussed.

Catechesis of the Good Shepherd will be highlighted in the next report- Maddie will reach out to Marcy.

The goal for **completion** of the Stewardship Report is **October**.

The goal for **distribution** is by the **end of November** in relation to the end of the liturgical year.

The Stewardship Report will also be **highlighted as a point of interest on the website and newsletter**.

Brian will have a draft of the Stewardship Report by the September meeting

3. New Parishioner Breakfast

The scheduled date is September 21.

Trevor will reach out to the families that joined within the last two years.

Lisa will reach out to Tracy about sending a sign up for the food and refreshments.

4. Ministry Collaboration Coordination

Guiding Question- Is there a way to consider a time to network across committees and hear more about what each other's committees are doing.

Our committee would be the one to coordinate the time even if it's simply inviting someone to speak at mass about what they do or even just to our committee meeting.

The first committee will be the Faith Formation committee and invite for September. Samantha will reach out to Marcy about attending the next Stewardship Committee to share more about the CGS program.

Other Items:

The Archdiocese will be sharing announcements to unify our Parish communities. This is part of their broad plan to improve the overall outreach of the church.
