**LISTEN TO THE VOICE OF TRUTH**

**GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**  
**May 8, 2022; 4th Sunday of Easter**

“Human beings, while capable of the worst, are also capable of rising above themselves, choosing again what is good, and making a new start.” (Pope Francis) We have a difficult time figuring out what is true and best for us. There are many voices talking and so many trying to get our attention. We wrongly convince ourselves that the true voice is the voice of progress, the one that speaks of contemporary wants and desires, enticing us with the latest trends and causes. We are taught, by listening to the voices around us, that truth is found in feelings and thought, and ideals must match current and popular human wants. Because we feel a particular way it must be true. Then, we find a shepherd who empathizes with us and affirms us. We follow that voice even though listening to that voice will render us powerless and lead us to harm. There are many with me in this procession to this pasture. I must be on the right path and listening to the right voice.

We are very confused. What can keep us safe and from harm? Where do we go to find life, love, and happiness? Jesus tells us that he is the way, the truth, and the life. The only way to get to Truth, who is God, is through him. There is no other way. The Church, the gate around God's pasture of life, is charged with the mission of directing us where God desires that we go. In the midst of all of the conflicting voices around us, the voice of truth is often muffled in all of the noise, but it beckons us to a life of virtue and grace. Helping us understand who we are and where we have to be, it discerns the voice of God, providing us with the safety net we need to stay straight on our path to life eternal.

We have to trust the voice of God, the true Shepherd, even when it does not mirror what we want and what others may believe. Faith goes way beyond feeling and involves a radical trust in Someone who can lead us and form us. At day's end, if we do not know to find our way home, we will be truly lost.

## New Beginnings Caring Pregnancy Center

We have been serving Carlsbad and the surrounding communities since 1985 as the outreach arm of "Right to Life" in Carlsbad, NM. We are a non-profit organization, relying on the good will of people concerned for the well being of our young mothers.

We have comprehensive parenting classes that span from conception to the teen years. As a rewards incentive, student moms receive "Mommy Bucks" for classes and homework, which they can spend in the Mommy Store.

We offer free high quality pregnancy tests and chastity counseling. We will offer fact-based information on abortion. But, due to its violent nature, we do not recommend it as a course of action on the part of the mother.

Starting May 7th, New Beginnings Pregnancy Help Center will be having their Annual Fill the Baby Bottle Drive. Bottles will be available by all three doors of the church. You may turn in your filled bottles one of two easy and convenient ways. You can place them in the offering baskets during Mass or you can drop them off in the Parish Office during regular business hours.
