12TH SUNDAY IN ORDINARY TIME

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

June 25, 2023; 12th Sunday in Ordinary Time

When I was in middle school, there were times I didn't want my fellow students to see my parents drop me off or pick me up in the school parking lot. I was embarrassed of my parents. Why? I have no idea. Maybe it was our station wagon. Or I didn't want to look like a little kid. But in retrospect that was a silly thing to do. I was a kid. And I had two parents who loved me and had built a wonderful family. I was afraid of the other kids' judgment. How silly! I should have been afraid of forgetting or downplaying my family, which is where my identity had its deep roots.

This is a way to understand Jesus' words to his disciples this Sunday, when he says, "Don't be afraid of those who kill the body but cannot kill the soul; rather, be afraid of the one who can destroy both soul and body in Gehenna." Fear, in this sense, refers to where we find our deepest identity and our highest love. That's why Jesus says next that when we acknowledge him before others, he will acknowledge us before the Father. It doesn't mean we're brash or boastful. But rather we unhesitatingly and humbly embrace our identity as followers of Jesus and children of God the Father. After all, if we love who we are and where we come from, who cares what the other kids think about us?

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Will You Say Yes?

You find yourself in the difficult situation of being accused of blasphemy and confronting possible execution. Your crime is believing in Jesus Christ. The question is then asked of you, "Are you a Christian, a follower of the one named Jesus Christ?" Your answer may very well dictate what happens to you next. What is your answer?

It is probably easier to answer this question when the scenario is make-believe. All of us want to believe that we would say yes to the question of belief in Jesus, but strange things happen when humans panic in the face of extreme stress. As we reflect on what we would say, there are those all over the world who are being asked that very same question. It is a question that was asked of many in the first centuries of the Church. Those who respond "yes" are considered martyrs and saints.

We might not usually think of all this in terms of good stewardship living. However, our faith is also a gift we have received from God to cultivate, grow, and share with others. The more interesting question than the one posed above is, "Would an accuser even think of asking you such a question?" Would you have cultivated, grown, and shared your faith enough that anyone would even consider you worthy of asking the question? They might assume you don't know Jesus Christ at all. I don't like conflict and do not seek out conflict, but I would rather someone ask the first question posed than assume there is no reason to confront me in the first place.
