## From the Desk of Fr. Steve:

As I announced at the weekend Masses several months ago, in August of 2015, the front wall of St. Mary's Church suffered another leak as the result of driving rain. After hiring an architect to review the wall itself and the previous attempts to fix the leak, and after having met with our parish finance council, we have come to the point now where a decision must be made as to how to proceed. We have been informed by our architect, who consulted with a structural engineer, that as it is currently, due to water damage and insufficient attempts to fix the problem by previous contractors, the front wall of St. Mary's is not structurally sound. This of course means that there is greater urgency in fixing the problem. Due to the seriousness of the deterioration of the internal structure of the wall, and due to the fact that the lack of proper window installation around the upper stained glass windows is the ultimate cause, a cause which up to now has not been formally addressed, the project to fix the front of the Church is going to cost much more than originally anticipated. Because of this, I have asked Mr. Robert Fern, the architect working on our Church project, as well as the contractor that we are planning to hire, to address the parish in a "town-hall" fashion, in order to explain in detail the nature of the problem, and what options are available to finally address these problems and correct them once and for all. Therefore, **I am urging all parishioners to please plan to attend a parish town-hall meeting on Wednesday, April 19, at 6:30 pm in the St. Mary's Parish Hall.** Mr. Fern will be making a presentation, and I will be seeking input on the project itself and ideas for raising the necessary funds. Again, I can't stress enough how important it is for us to try to be present for this meeting if possible, since this project will likely be in the forefront of our parish awareness and activity for the next several months. Light refreshments will be provided. Thank you. ~ Fr. Steve

## Fr. Steve's Teaching for Consideration: The Sacred Paschal Triduum

*"In the Sacred Triduum, the Church solemnly celebrates the greatest mysteries of our redemption, keeping by means of special celebration the memorial of her Lord, crucified, buried and risen."*

-Roman Missal, Third Typical Ed.

There are, in cinema history, numerous well-known trilogies. We can think, for example, of the "Back to the Future" movie trilogy or the "Lord of the Rings" trilogy, or my personal favorite, the "Star Wars" trilogy. Of course, the idea of a trilogy is that while you could just watch one or two of the movies in a given trilogy, one movie within the trilogy only makes full sense if you have seen all three movies in the trilogy. A trilogy is really just one long movie plot extended over three separate films. In order to grasp the full meaning of one of the movies, you really need to view all three.

Beginning today, with the celebration of Palm Sunday, we enter into the holiest week of the entire year, and beginning on this Thursday with the Evening Mass of the Lord's Supper, we enter into the highest holy days of the year - the Sacred Paschal Triduum. The word "Paschal" means "relating to Passover and/or Easter" and the word "Triduum" is a Latin word which means "three," and so the "Sacred Paschal Triduum" are the three sacred days related to the mysteries of Easter- the suffering, death and resurrection of Jesus. Thus the Sacred Triduum is comprised of the Evening Mass of the Lord's Supper on Holy Thursday, the Celebration of the Passion of the Lord on Good Friday, and the Solemn Vigil of the Resurrection of the Lord on Holy Saturday Night.

May I suggest in all seriousness, that the Sacred Triduum is sort of like a movie trilogy? What I mean is that while we may only attend one or two of the sacred celebrations during the Triduum (of course, we are obligated by divine command to attend Holy Mass on Easter, either at the Easter Vigil or on Easter Sunday morning, or both!), each individual celebration on Holy Thursday, Good Friday and at the Easter Vigil will make the most spiritual sense and have the greatest spiritual impact if we attend all three and celebrate the entire story. For in fact, in the mind of the Church, the three celebrations spanning Holy Thursday to Easter are one extended liturgy. That is why we begin Mass on Holy Thursday in the usual way, with the sign of the cross, but we do not conclude with a blessing at the end of Mass as would be typical. And the celebration on Good Friday does not open with the sign of the cross because it is a continuation of the liturgy begun on the night before at the Mass of the Lord's Supper. And we also do not formally end the liturgy on Good Friday. Finally, at the beginning of the Easter Vigil, we make the sign of the cross to start as a sign of the victorious death of our Lord Jesus which has brought us salvation, and at the end of the Easter Vigil Mass, we receive the great Easter blessing, and the liturgy that has been extended and going on for three days is finally brought to conclusion.

Thus, I am asking each of us this year to consider attending all three holy day liturgies of the Sacred Paschal Triduum: the Mass of the Lord's Supper on Holy Thursday, the celebration of the Passion of the Lord on Good Friday, and the Easter Vigil on Holy Saturday night. Now, it may be that we are unable to attend all three celebrations due to our work schedule, important appointments, etc. But if we are able to attend all three, why not try it? Why not walk with our Lord Jesus on the entire path that He walked to bring us the gift of mercy and forgiveness in this life and eternal life in the next? Brothers and sisters, this is the holiest three days of the entire year. Let's enter in! God bless you! ~ Fr. Steve

### From the Desk of Father Steve:

As many of you know, due to the high solemnity and level of celebration for the Sacred Triduum Masses, the Church has the holy custom of making use of incense at several of the Masses. I realize that for some people, the use of incense, especially if used heavily, can cause discomfort. Therefore, this year I have special ordered a particular brand of incense which is hypo-allergenic that I will be using at the Masses for Holy Thursday, Easter Vigil, and Easter Sunday. I sincerely hope that this will allow for both the enhancement of celebration that incense provides while making for as comfortable a worship environment as possible.
