MARCH 29-30 || TEACHING YOUR CHILDREN
BOUNDARIES

ENSEÑE LÍMITES PERSONALES A SUS HIJOS

Communities thrive with appropriate boundaries in place. Without them, everyone is left vulnerable, especially children, in an “anything goes” culture. As safe adults, we can empower children by defining and strengthening our own boundaries. Children learn by watching the adults around them. Seeing us make and hold boundaries will teach them this incredibly important skill. To learn more about setting and upholding boundaries, read the VIRTUS® article “When Boundaries Abound, Our Lives Can Flourish” at lacatholics.org/did-you-know/.

Las comunidades prosperan cuando hay límites adecuados. Sin ellos, todos somos vulnerables, especialmente los niños, en una cultura de “todo vale”. Como adultos de confianza, podemos empoderar a los niños defendiendo y reforzando sus límites personales. Los niños aprenden por observar a los adultos que les rodean. Vernos poner y mantener límites personales les enseñan esta habilidad increíblemente importante. Para saber más sobre de cómo establecer y mantener límites, lea el artículo en VIRTUS® “Cuando abundan los límites, nuestras vidas pueden florecer” en lacatholics.org/did-you-know/.

JOURNEY OF FAITH: OUR PARISHES CATECHUMENS ON THE PATH TO...

INITIATION

As we continue our Lenten journey, we are blessed to witness the powerful and transformative journey of our catechumens — those individuals preparing to be initiated into the Catholic Church. This group of men, women, and children have been walking in faith, seeking a deeper relationship with God, and exploring the richness of our Catholic traditions. It is a time of reflection, prayer, and deep spiritual growth as they approach the final steps of their initiation into our Catholic community.
