**JANUARY 17-18 || WHAT IS NEEDED IN A CULTURE OF SAFETY?**

**¿QUÉ SE REQUIERE PARA FOMENTAR UNA CULTURA DE SEGURIDAD?**

By prioritizing safeguarding, education about healthy boundaries and access to support for survivors, we create safer learning environments for the children in our care in which we continually share responsibility among program leadership, employees, volunteers, families, and the community. In any culture of safety, the safety of children and vulnerable people is a core value, and all decisions are centered around protecting this safety. Beyond believing in the importance of safety, people within the organization take concrete actions to maintain a safe environment. For more information, read the VIRTUS® article "High Stakes: A Culture of Safety for Every Child" at [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).

Al dar prioridad a la protección, la educación sobre límites personales saludables y el apoyo para los sobrevivientes, creamos entornos de aprendizaje más seguros para los niños en nuestro cuidado, en los que compartimos continuamente la responsabilidad entre los líderes del programa, los empleados, los voluntarios, las familias y la comunidad. Para mayores informes lea el artículo de VIRTUS® "High Stakes: A Culture of Safety for Every Child" (Una cultura de seguridad para todos los niños) en [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).

***“On whomever you see the Spirit come down and remain, he is the one who will baptize with the Holy Spirit.’ Now I have seen and testified that he is the Son of God.”***

**JOHN 1:29-34**

***“Aquel sobre quien veas que baja y se posa el Espíritu Santo, ése es el que ha de bautizar con el Espíritu Santo’. Pues bien, yo lo vi y doy testimonio de que éste es el Hijo de Dios”***

**JUAN 1, 29-34**
