Thanksgiving Day Mass

On this Thanksgiving Day we have much to be thankful for! We say that every year, but this year I think it has so much more meaning! Last year, we were under tight restrictions and so very worried about our families, friends and community. We had not yet received the vaccines and the deaths from Covid were increasing just as we were moving into the Christmas Season. We were not able to gather with family and friends for our Thanksgiving dinners and holiday gatherings, and instead of preparing for Advent our hearts were heavy preparing to be a part from our loved ones at Christmas.

However, we find ourselves today in a much improved situation. More and more of us are vaccinated, and recently we have offered clinics that included booster shots but also hosted a very successful clinic for children ages 5-11. We are still in the middle of a pandemic but we have figured out how to continue to gather and worship safely. I am so grateful to the staff and volunteers who have tirelessly supported our liturgies and events and at every turn made sure we were safe! I am also so very grateful to Fr. Tony and Deacon Bruno who provide and lead us in such beautiful liturgies. They are truly blessings to this parish.

But most of all, my heart is full of gratitude for all of you, our faith community. As we prepare to invite back those who have not been able to celebrate with us, I am confident that we will continue to thrive and grow as we have done even during these challenging times. Our faith community has committed to caring for each other, to seeking the common good and to celebrating Eucharist together each week. I am very excited to see what the coming months bring. We will welcome new parishioners, and returning friends, but most importantly we will continue to look for ways to enter into a meaningful encounter with our Lord.

As I gather with my family for the first time since 2019, my prayers will be of deep gratitude for God's presence in my life, for my friends and family and with special gratitude for the wonderful faith community of St. Madeleine Sophie Parish.

Return to Mass

In Early Christianity, it was a crime to attend the celebration of the Eucharist. But the Early Christians could not live without the Eucharist which gave meaning to their lives. Regardless of the consequence they held fast to their weekly worship and met together, kept vigil from Saturday night until Sunday morning, and celebrated the Eucharist together. It is helpful to remember what a privilege it is to celebrate the Eucharist!

Archbishop Etienne has invited all the faithful to return to Mass by lifting the Dispensation of the Obligation to attend Sunday and Holy Day Masses beginning on the Feast of the Immaculate Conception on December 8. The obligation was put into place for good reason during the height of the Pandemic to keep us all safe. However, with more of us vaccinated and the incidence of transmission of the virus at Mass very low it is a good time to make the invitation to everyone who is able to join us.

Please take this opportunity to invite your family and friends to return to Mass if they feel safe. The flier "Welcome Home" attached to this bulletin can be used as an invitation to those you know who would like to return. Let us see it as an invitation to renew connections with our community and friends but most importantly an invitation to renew and deepen our encounter with the Lord.

Welcome Home

A Special Invitation

We have been celebrating and worshipping without you for too long!
Our Parish, our spiritual family, desires that all members of our community come together to celebrate the Eucharist especially as we prepare to enter into the Christmas season. Our community of faith is here to offer our love, support, and our prayers for you. Your presence is an important part of our celebration of the Mass and when you are not here, you are missed.

Archbishop Etienne invites you to come back to Mass

Dispensation to be lifted December 8

The general obligation to attend Mass on Sundays and holy days of obligation is to be reinstated (CIC, can. 1247) during Advent on December 8, the Solemnity of the Immaculate Conception.

"Make the Lord's Day a true celebration of the Resurrection, and a great celebration of being renewed in his life, mercy and love."

Please take this opportunity to invite your family and friends to return to Mass if they feel safe. Let us see it as an invitation to renew connections with our community and friends but most importantly an invitation to renew and deepen our encounter with the Lord.
