## HAPPY EASTER!

Easter is the center of our faith. With Holy Thursday (the Last Supper) and Good Friday (the Crucifixion), it is the celebration of the greatest, most holy event in Christianity. Through it we will rise again, to salvation in Jesus Christ. Thank the Lord for His mercy and love!

Notes: This month has five weekends plus some special services. I have had to schedule some Servers three times, and some only once, to make out the schedule this month.

*I have tried to schedule as many of the Servers as possible for the Triduum--Holy Thursday, Good Friday and Holy Saturday. It has not been possible to schedule all of the Servers during these services. I apologize if you were not scheduled for the Triduum. And thanks to all the Servers for your dedication and important Ministry.*
