"Turkey Day"

We are a thanksgiving people. Listen during the Mass; you will hear the word "thanks" at a key moment, and at other times, depending on which Eucharist Prayer the priest uses. Some of our hymns are about giving thanks. "Eucharist" is a Greek for "thanksgiving." And God has given us so many gifts, we always have reason to give thanks.

As a thanksgiving people:
 We are happier, because we know that God loves us.
 We want to please God. To do this:
 We tend to avoid sin more than unthankful people; and
 We try to be generous because God has been so generous to us.

And we can enjoy our yearly turkey, too!
