Eighteenth Sunday in Ordinary Time

The Center of a Meaningful Life

Today's readings invite us to reflect upon some of life's deepest questions, and to explore the meaning of faith. We hear of the universal human search for meaning in our lives in the book of Ecclesiastes. In Luke's Gospel, we hear Jesus' parable about one who foolishly seeks ultimate security through the accumulation of wealth. In Colossians, faith in the crucified and resurrected Christ is proclaimed as the path to a richly purposeful and meaningful life. The path of Christian faith places our work, our sufferings, and our limitations within the larger picture of God's purposes for all of us. In Jesus, God is revealed as our companion in human suffering and limitation. God's love is at the center of a meaningful life. We place our trust in this loving God, who created us to share in this love, and to share this love with others.

Decimoctavo Domingo del Tiempo Ordinario

El Centro de Una Vida con Sentido

Las lecturas de hoy nos invitan a reflexionar sobre algunas de las cuestiones más profundas de la vida y a explorar el significado de la fe. En el libro del Eclesiastés escuchamos acerca de la búsqueda humana universal del sentido de nuestras vidas. En el Evangelio de Lucas escuchamos la parábola de Jesús que habla de quien busca tontamente la seguridad definitiva mediante la acumulación de riquezas. En la carta a los colosenses, la fe en Cristo crucificado y resucitado, se proclama como el camino hacia una vida abundante en propósitos y con sentido. El camino de la fe cristiana pone nuestro trabajo, nuestros sufrimientos y nuestras limitaciones dentro de un panorama más amplio de los propósitos de Dios para todos nosotros. En Jesús, Dios se revela como nuestro compañero en el sufrimiento y las limitaciones humanas. El amor de Dios está en el centro de una vida con sentido. Ponemos nuestra confianza en este Dios amoroso, que nos creó para compartir este amor, y para compartir este amor con los demás.

Providing a “home away from home” for a hockey player has proven to be both educational and rewarding for both the player and the host family. Players not only teach their hosts more about the game of hockey, they also bond with and become a part of their family. Many players and host families continue that bond well after a player has advanced their playing career to the next level.

STEPS TO BECOMING A JR REIGN HOST FAMILY

- Be ready to cheer your player and your team during an exciting season of hockey!

- A monthly stipend to help offset costs!
- Four complimentary Season Tickets, including all season ticket holder benefits!

Safeguarding the Children

Did you know?

Underage Drinking Can Cause Brain Damage

Underage drinking can certainly get your teen into a lot of trouble — loss of driving privileges, fines, and even criminal charges. But underage drinking can also cause significant brain damage. An adolescent's brain does not fully develop until the age of 25. Early alcohol use can affect that development, causing memory problems and potential dependency on alcohol later in life. For more information to share with your teenagers, read the VIRTUS® article, "Underage drinking isn't just illegal, it damages the brain" at lacatholics.org/did-you-know/.

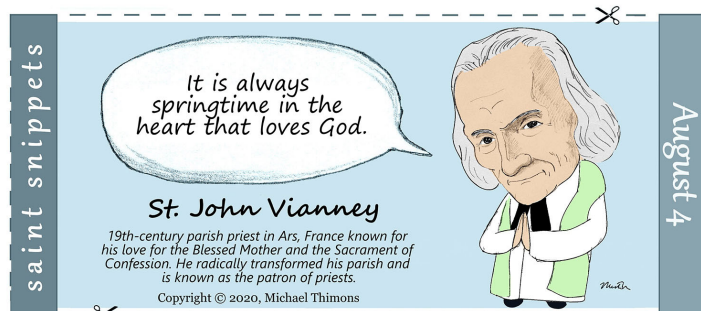

El consumo de alcohol por menores puede causar daño cerebral

El consumo de alcohol por menores de edad sin duda puede causar muchos problemas a su hijo adolescente: pérdida de los privilegios de conducir, multas e incluso cargos penales. Pero el consumo de alcohol por menores de edad también puede causar un daño cerebral significativo. El cerebro de un adolescente no se desarrolla por completo hasta los 25 años. El consumo temprano de alcohol puede afectar ese desarrollo, causando problemas de memoria y una posible dependencia del alcohol más adelante en la vida. Para obtener más información para compartir con sus hijos adolescentes, lea el artículo de VIRTUS® en inglés, "Underage drinking isn't just illegal, it damages the brain" (El consumo de alcohol por menores de edad no solo es ilegal, sino que también daña el cerebro) en lacatholics.org/did-you-know/.
