## Twenty-sixth Sunday in Ordinary Time

### God's Ways

In the stream of readings during this portion of Ordinary Time one week's texts can often appear to pick up exactly where the previous week's concluded. The sentiments expressed in today's first reading seem to be a direct reaction to the Gospel passage we heard last week. In that Gospel, the landowner pays the same wages to his workers whether they worked for a full day or for only a few minutes. Today Ezekiel gives us the lament, "The Lord's way is not fair!"(Ezekiel 18:25). These Sundays in Ordinary Time offer us a glimpse into the ways of the Lord. We see how God's way has the tendency to turn the accepted conventions of the day upside down. Those who always expected that their way to heaven was guaranteed are disappointed. Those who thought they never had a chance are given that chance. Today offers us another opportunity to discover the abundance of God's mercy and love.

## Vigésimo Sexto Domingo del Tiempo Ordinario

### El Proceder De Dios

En la corriente de lecturas durante esta porción del Tiempo Ordinario a menudo parece que los textos de una semana se retoman donde concluyeron los de la semana anterior. Los sentimientos expresados en la primera lectura de hoy parecen ser reacción directa ante el pasaje del Evangelio que escuchamos la semana pasada. En ese Evangelio, el dueño de la viña paga el mismo salario a sus trabajadores, sea que hayan trabajado todo el día o sólo en los últimos minutos de la jornada. Hoy Ezequiel ofrece este lamento, "No es justo el proceder del Señor" (Ezequiel 18:25). Estos domingos del Tiempo Ordinario nos ofrecen una ojeada del proceder del Señor. Vemos cómo ese proceder tiene la tendencia de poner patas arriba las convenciones aceptadas. Los que siempre esperaron que su camino al cielo estaba garantizado quedaron desilusionados. A los que pensaron que nunca tendrían la oportunidad, se les da la oportunidad. Hoy se nos ofrece la oportunidad de descubrir la abundancia de la misericordia y el amor de Dios.

## Safeguarding the Children

### Did you know?

### What is doxing?

Doxing is publicly sharing someone's private information, like home address, phone number, or social security number, as a form of punishment or revenge putting them at risk of hacking, identity fraud, or other violence. If someone is doxed, they may have their phone number swamped with spam or explicit texts and messages or if their address is shared, they may be unsafe in their own home. For more information about doxing, read the VIRTUS® article "Doxing: What is that?" at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).

### ¿Qué es el "doxing"?

"Doxing" es compartir públicamente la información privada de alguien, como la dirección de su casa, el número de teléfono o el número de seguro social, como una forma de castigo o venganza, lo que los pone en riesgo de piratería informática, fraude de identidad u otro tipo de violencia. Si alguien es engañado, es posible que su número de teléfono se inunde con "spam" o mensajes de texto y mensajes explícitos o si se comparte su dirección, es posible que no esté seguro en su propia casa. Para obtener más información sobre el "doxing", lea el artículo en inglés de VIRTUS® "Doxing: What is that?" (Doxing: ¿Qué es eso?) en [lacatholics.org/did-you-know/..](http://lacatholics.org/did-you-know/)

## Treasures from our Tradition

Eucharistic Prayer IV is, like Eucharistic Prayer III, a fresh composition from the 1960s, based on a prayer from the tradition of the ancient church of Alexandria. It has an interesting structural feature. The new prayers all nod toward the East with the epiclesis, or calling down of the Spirit, over the gifts. In this prayer the Spirit is asked to come down again, after the consecration, to make holy the communicants who "partake of this one Bread and one Chalice that, gathered into one body by the Holy Spirit, they may truly become a living sacrifice in Christ to the praise of your glory." This beautiful phrase is well worth meditating on. What is the goal of your reception of Holy Communion today?

The preface for this Eucharistic Prayer is firmly attached to the prayer, and the directives for using the prayer anchor it to Ordinary Time. It is not intended to be an option if the Mass has a proper preface of its own, like a funeral, a Lenten weekday, or a great feast. It is not often used these days, in part because of these limitations. At first, it was suggested that this prayer was better suited to small groups of people who were well educated in scripture. This was kind of an odd stipulation, especially since its images are so beautiful and worthy of attention.

## Tradiciones de Nuestra Fe

La práctica de usar nudos en una cuerda para contar oraciones tiene una larga trayectoria en la fe cristiana. Originalmente un cordón con 150 nudos o piedritas se usaba para contar la recitación de los 150 salmos encontrados en la Sagrada Escritura. Con el tiempo, visto que mucha gente no podía leer o recitar de memoria los salmos, se sustituyeron por el uso de 150 Padrenuestros. A finales de la Edad Media muchos sustituyeron los Padrenuestros con el saludo del ángel Gabriel a María. En el siglo XVI se formuló lo que hoy reconocemos como el Ave María, y en el año 1569, el Papa Pío V estableció el Rosario en su forma y uso actual.

En 1592 un fraile dominico mandó hacer una imagen de la Virgen del Rosario para su convento en Guatemala. Según la leyenda, María viajaba por América con su Hijo y éste se quedó dormido en Guatemala, por lo cual se quedaron allí. En 1821 los independistas guatemaltecos tomaron a la Virgen del Rosario como protectora y en 1833 fue nombrada patrona oficial de Guatemala.
