

NORTHEAST TRAVIS COUNTY UTILITY DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE

The Northeast Travis County Utility District will hold a public hearing on a proposed tax rate for the tax year 2025 on Thursday, August 28, 2025, at 11:30 A.M. at the offices of Terrill & Waldrop, 810 W. 10th Street, Austin, Texas 78701.

Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in taxable value of all other property determines the distribution of the tax burden among all property owners.

If the proposed combined debt service, operation and maintenance, and contract tax rate requires or authorizes an election to approve or reduce the tax rate, the Northeast Travis County Utility District proposes to use the tax increase for the purpose of district operations.

NOTICE OF VOTE ON TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 3.5 percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, Water Code. An election is not required if the adopted tax rate is less than or equal to the voter-approval tax rate.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
