Some seed fell on the path . . . some fell on rocky ground.

## Clergy Corner: A Message From Our Pastor

---

Dear Friends,

For the last three weeks we have held Sunday Mass at 9:30am in the quad of St. Joseph Notre Dame High School. The experience has been a breath of fresh air – excuse the pun. Each week the process improves as we learn how to make the experience more efficient and enjoyable. Even a detail like tracking the sun in order to know where to place seats in the shade has not gone unnoticed by our team of dedicated ushers. Although we have to set the quota to 100 people, we have yet to reach that mark. I understand if many of you are concerned about being at a public Mass. If you prefer to stay at home, I and the staff support you in that decision, but please know that we are doing our utmost to make sure that the gathering is, above all else, safe. If you have not yet watched the explanatory video on the protocols, please do so; it can be found on our website, and may help to answer some questions you may have.

I would like to address one issue in particular that has come up about this public Mass, which is the requirement to reserve a place online. Some parishioners have voiced concern about this and have told me that they will not be attending as long as this is being asked of them. I understand the bone people have to pick, since almost every other public venue does not require this. We don't have to reserve a spot at the supermarket, why church? The answer is two-fold.

First, due to the 100-person quota, we want to make sure that we keep track of how many people have reserved spots, so as to be able to notify you if the Mass becomes full. The alternative, which is what many parishes are doing, is to have a first come, first serve Mass. This solves the problem of reserving a place, but if someone shows up after we have reached the quota, they must be turned away. I find that to be insensitive and somewhat embarrassing for the person. The reservation process avoids that, much like reserving tickets for a play.

Second, the reservation process allows you to be contacted on the off chance that someone who attended the Mass discovers that they have Covid-19. This way, anyone who attended the Mass will have the opportunity to get tested, which is important since many who get the virus are asymptomatic.

The way I would invite you to look at reserving your spot is not to see it as a violation of religious liberty, as if these other places are exempt from unjust rules. On the contrary, because of our smaller size, we are able to provide a service that they cannot. Wouldn't you like to be notified by the store you were in if it just so happened that you were in close proximity to someone who was sick? I would. But let me be clear, due to the fact that Mass is outside, and the way in which we are spacing everyone and providing sanitization, the risk of becoming sick at Mass in the quad is low.

With that being said, I want to thank everyone who has attended Mass, and for the exemplary display of courtesy, patience, and reverence you have shown during our gatherings. As I mentioned at the beginning, it has been uplifting to worship in each other's company.

---

None of this would be possible without the help of many people, too many to be listed by name here, but there are some I must mention. The committee that has been meeting weekly to wade through the slew of official documents has been indispensable to me. They are, Stan Schonberg, our Business Manager, Anna Rossi, the head of ushers and greeters, who offers a wealth of legal expertise, Gia De Grano, a member of the Pastoral Council, Anne Marie Fourré, our Director of Faith Formation, and Teresa Courville, long-time parishioner and medical professional in the field of infectious diseases and infection prevention. If you see them, please thank them for the extra work they are putting in for us.

I would like to also extend a heartfelt thank you to Julie Guevara, the Principal of the high school, and her staff, who have helped us with their time and resources to make the Mass a success.

Lastly, I want to thank Santiago Campos, who diligently cleans the Basilica several times a week, as well as the ushers who have volunteered to help. The ministry of usher is vital to the success of each Mass, and they have stepped up. Many of the ushers were part of this ministry before shelter-in-place, but many of them are new, having answered the call to be a part of this immense project; and we are still looking for more people to volunteer to be ushers. If you would like to be an usher at our Sunday Mass, please email Anna Rossi at [amrossi1238@aol.com](mailto:amrossi1238@aol.com). I am also asking for people to volunteer to assist Stan with setup and running of audio equipment. If you can help Stan, please email him at [business@sjbalameda.org](mailto:business@sjbalameda.org). These are worthy ministries; thank you for your consideration.

In conclusion, we will continue to celebrate Mass via the livestream at 12pm on YouTube, and provide Communion in the parking lot drive-through. This too is a ministry that requires more volunteers. Since May 10, Mother's Day, the same group of people have been helping. I am asking for more people to volunteer to take the pressure off of them. If you have been to the drive-through you know that it is a very streamlined process because of the volunteers who cheerfully direct traffic, distribute sanitizer, and collect donations. If you can volunteer for the drive-through Communion and give 1.5 hours of your Sunday to your parish family (a time I thoroughly enjoy!) I would be grateful. If we cannot field enough volunteers, we will have to discontinue the drive-through. Please email me at [frmario@sjbalameda.org](mailto:frmario@sjbalameda.org) if you can help out.

Thank you very much for reading this letter. Please continue to pray for our parish, and for an end to Covid-19. I am praying for you.

God Bless,  
Fr. Mario Rizzo

## Welcome the Stranger Update – A Little Girl’s Smile!

Welcome the Stranger planned an amazing 6th birthday celebration for Genesis, considering we are in the middle of shelter-in-place and could not be all together to celebrate this event. One of our members organized a parade of cars to drive around Jackson Park honking their horns, with signs on their cars that said “Happy Birthday, Genesis” and balloons hanging out the windows. When Genesis saw the parade for the first time, her eyes grew wide and she smiled from ear to ear. On the third trip around the park, each car stopped to give Genesis her bouquet of balloons. She continued her celebration in her backyard with her immediate family and others in her social bubble complete with a piñata filled with candy, beautiful pink cupcakes, and lots of presents from the group. What a wonderful and creative birthday party for a little girl who had never smiled before she got to the United States - She smiled all day!

If you have questions about the ministry, please contact Anna Rossi at [amrossi1238@aol.com](mailto:amrossi1238@aol.com) or 510 814 1038. Thank you for your continued support and prayers.

## Children Liturgy of the Word (CLW) Continue On-Line

During Sheltering in Place we offer an online "Children's Liturgy of the Word" via Zoom at 10am each Sunday, for children ages 5 to 10 and their parents. It includes proclamation of the Gospel using the Children's Lectionary, opportunities for movement and singing, and a chance for children and their parents to reflect together on Jesus's message for the day. (Tips for a good experience for all: remain in mute mode unless invited by presenter to speak; if using the "chat" box to share responses be sure your child is using it appropriately; if you do not want your child's face to be seen by others either "live" in the Zoom or shared later if recorded, be sure your video is off.) To participate, please visit our website: [www.sjbalameda.org](http://www.sjbalameda.org) for the ZOOM link.

## Our Lady of Mount Carmel

12TH CENTURY | FEAST DAY: JULY 16

Mount Carmel, which juts out into the Mediterranean near Haifa, Israel, has been considered a sacred place since the prophet Elijah built an altar there in his contest with the prophets of Baal. The Carmel headland is traditionally associated with the beginnings of the Carmelite order around 1195, when a group of lay hermits formed a community there. Mary had been honored there as early as the fifth century, and by the 12th century Mount Carmel had become a site of Marian devotion. The Carmelites chose Mary as their protectress and dedicated their oratory on Mount Carmel to her. Our Lady of Mount Carmel is the patron of Bolivia and Chile.

Well-known Carmelites include St. Teresa of Avila, St. John of the Cross and St. Therese of Lisieux—all of whom were powerhouses of spiritual writing.
