

McKinnon Manor (Rectory) Project

Utilizing space to serve pastor and male Spiritus missionaries

Did you see some moving vans recently at the Rectory? If so you may wonder - who is moving. The answer is no one. Back during COVID we moved many of our tables from the Center over to the Rectory for storage. We are currently working on a project at the Rectory to provide living space for both Fr. Chris, our pastor, and the male Spiritus missionaries who make this their home from mid-August to mid-May.

What is happening?

We hired two men and a truck to move the tables and some odds and ends back to the Center

We have cleaned a few rooms in the lower level - thank you to Will McKinley and a full day of cleaning!

We are now priming and soon will be painting the rooms.

Following we will be installing new flooring.

What can you do?

If you enjoy painting - installing floors we can use your help. As Fr. Chris often says many hands make light work and team work is dream work. If you have some available time please call the parish office or sign up in the Narthex with your name, phone number and email and we will reach out to you.
