**DO NO HARM**

We listen quite a while before we get to the “punch line” of the first reading today: even though it would be an easy thing to do, David will not harm the anointed one of the Lord. We, of course, know that Jesus is the Messiah, the anointed one of God, but the Bible uses this term for many different people. It is scripture’s way of indicating who has been chosen by God for a special place and mission in salvation history.

In today’s Gospel, Jesus presents a greatly enlarged list of those who, as children of God, we should not harm, but love instead: our enemies, those who curse us or do us harm, those who owe us money, the ungrateful, the wicked. The point of Jesus’ teaching is not to encourage these kinds of behaviors in others, but rather to form us in the image of our heavenly Father by increasing our opportunities to love unconditionally, expecting no return; to be merciful and forgiving, even when it would be easier not to.

**NO CAUSAR DAÑO:**

Escuchamos por un buen rato antes de llegar a la “culminación ingeniosa” de la primera lectura de hoy: si bien hubiera sido fácil hacerlo, David no causará daño al ungido del Señor. Nosotros, por supuesto, sabemos que Jesús es el Mesías, el ungido de Dios, mas la Biblia usa ese término para distintas personas. Es la manera bíblica de indicar quién ha sido elegido por Dios para un lugar y misión especial dentro de la historia de la salvación.

En el Evangelio de hoy, Jesús presenta una abultada lista de aquellos a quienes, por ser hijos de Dios, no debemos dañar, sino más bien amar: nuestros enemigos, los que nos maldicen o nos hacen daño, los que nos deben dinero, los ingratos, los malvados. El punto de la enseñanza de Jesús no es alentar esos tipos de comportamiento en otros, sino más bien formarnos a imagen de nuestro Padre celestial cuando incrementamos las oportunidades para amar incondicionalmente, sin esperar nada a cambio; ser misericordiosos y compasivo, aun cuando sería más fácil no serlo.

**Resources to help with coping during natural disasters:**

Disasters such as hurricanes, earthquakes, transportation accidents, or wildfires are typically unexpected, sudden, and overwhelming. For many people, there are no outwardly visible signs of physical injury, but there can be nonetheless an emotional toll. It is common for people who have experienced disaster to have strong emotional reactions. Understanding responses to distressing events can help you cope effectively with your feelings, thoughts, and behaviors, and help you along the path to recovery. **Recursos para hacer frente a las catástrofes naturales:**

Catástrofes como huracanes, terremotos, accidentes de transporte o incendios son generalmente inesperadas, repentinas y abrumadoras. Para muchas personas, no hay signos visibles de heridas físicas, pero puede haber un impacto emocional. Es común que las personas que han sufrido una catástrofe tengan fuertes reacciones emocionales. El conocimiento de posibles reacciones a situaciones de crisis le puede ayudar a afrontar los sentimientos, pensamientos y comportamientos, y ayudarlo en el camino hacia la recuperación. ### CHRIST THE KING CATHOLIC ELEMENTARY SCHOOL NON-DISCRIMINATION POLICY 2024-2025

#### SCHOOL STUDENT NON-DISCRIMINATION POLICY

*The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.*

*The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.*

*While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.*
