Dear Parishioners and Friends of Our Lady of Guadalupe,

The Season of Fall is in the air. We are blessed with a cooler weather and so far, no sign of any hurricane----Praise God!

Before we realize it, Thanksgiving Day will be upon us. The Gospel that we listened to today is one that is often read on Thanksgiving Day. It is the gospel about the ten men suffering from leprosy. They approach Jesus and cry out: "Jesus, Master, have pity on us!" Jesus heals all of them and yet, as we continue the Gospel, only one returned to say thank you.

I have often thought: Would I be the one to return and give thanks. The greatest prayer we can ever say is: "Thank You." I have a sign in the sacristy that says: **Start each day with a grateful heart.** Every morning I look at that sign and ask what am I most grateful for today. In spite of many negative things that can surround us, we must never forget the blessings.

I truly believe that grateful people are truly the happiest people I know. They also have their crosses and burdens but they never stop from being grateful.

May each of us be a people of gratitude,

Fr. Tony
