

All Saints Parish
Finance Council
Minutes for 8/26/2021 meeting

Meeting was held via Zoom at 5:00 PM on Thursday, attendees included: Diane, Martha B, Jeannine, Frank, Bill, Charleen and Lori

The annual parish report was reviewed and explained. Charleen told us that the recurring users of WE Share are 244. The question came up as to if some of the Due to/Due From accounts could be cleared. As well as since the school is doing better financially if they could take over their old Fire Loan.

The July financials were reviewed. All are concerned going forward regarding offertory as we are seeing the numbers decreasing. Last year for July there was a request for funds letter, and we have further discussion regarding this in upcoming month. July is the first month of the fiscal year so little activity in certain departments.

Upcoming parish events include: a mystery dinner at St. Pat's on October 22, a Christmas fair at St. Charles and St. Mary's on November 6 and 13 respectively. The Tree Festival is on schedule. The new building is busy with rentals 5 nights a week starting in September.

The new St. John's Museum is beautiful!! St. Ambrose's floor is beautiful, and a Harvest Magazine article was done about it!!

News from the Diocese is that the Bishop is promoting the vaccine. It is mandatory that if anyone attends the school mass they must wear a mask.

The Council approved DICON for scaffolding work to be done on St. John's chimney even though it was outside the budget and we will use some of the Pinette funds to pay for it.

Just a note that if someone falls at any facility an incident report needs to be completed.

Meeting adjourned at 7:00.

Respectfully submitted,

Lori Boulay
