Celebrating 120 Years
as a Catholic
Community in
Salem, MA
1901 - 2021

We
Are
Family

Sainte Anne Parish is a faith community in the Roman Catholic tradition. We strive to live up to the motto: "We Are Family." We see ourselves as a local expression of the universal Church, the People of God, the Body of Christ. Through God's grace we seek to be welcoming and loving. Our life centers on the daily celebration of the Eucharist. We meet Jesus Christ in the Eucharist and are then challenged to bring His love to others.

Dear Holy People of God,

"This Day Was Made by the Lord, We Rejoice and Are Glad" [Psalm 118:24]

To me, this prayer of Thanksgiving from **Psalm 118** captures the sentiments that should characterize this day:

"Alleluia! Give thanks to the Lord for he is good, for his love endures forever. Let the house of Israel say, His love endures forever. Let the house of Aaron say, His love endures forever. Let those who fear the Lord say, His love endures forever (...) This day was made by the Lord, we rejoice and are glad (...) You are my God, I thank you. My God, I praise you. Give thanks to the Lord for He is good, for His love endures forever."

This weekend, we are celebrating 120 Years of the existence of our parish family, Ste. Anne's. Our parish family began in 1901, to serve the large French-Canadian population living in Salem at the time. A formal dedication took place in January 1902 and Ste. Anne's became a canonically independent parish in October 1902. Father Joseph Peltier was the first resident pastor. The Sisters of St. Chretienne taught the children of the parish from 1908 until June 1976 when the school closed. A monument was dedicated in honor of those men who served in WWI and currently sits at Ste. Anne's Park. The nearly one-hundred-year-old wooden church building was totally destroyed by fire on February 3, 1982.

But the fire could not destroy the faith of the people of God of Ste. Anne's, as evident in the groundbreaking for the new church building in 1985, which was dedicated on August 23, 1986, incorporating the stained-glass windows from St. Chretienne's chapel. The Church building was rebuilt without taking on any debt. In other words, the construction of our present Church building was totally funded by a capital campaign that the parishioners supported. Symbolically, the bell sitting outside of church is the bell from 1903 that cracked in the fire. Ste. Anne celebrated the 100th anniversary in 2001.

From a Community of French-Canadian Immigrants, Ste. Anne's is the spiritual home today to French-Canadians/Anglo-Americans; the Filipino Community; the Cameroon Community; and the Congolese Community. We celebrate Holy Mass in three Languages: English, French and Lingala. We celebrate a daily Mass at 9am, and five weekend Masses: Saturday, 4pm, Sunday: 8:30am, 11am, 1pm and 4pm. Our parish motto is: We Are Family [striving to build a family from our four different communities]. We recognize and celebrate each other. Our diversity is a gift and a challenge as well. We must continue to strive to build community, for this is the will of God for us: "Father, may they be one, just as you and I are one" (John 17:21). Ste. Anne has seen challenging times, but we have come out stronger and more determined. And this is what we should learn from our history: the determination to forge ahead, in season and out of season, in good times and in bad, trusting that God's goodness and care will accompany us. We must never be afraid of the future. God is mightier than the

challenges we face, as persons and as a parish family. God is capable of doing more than we can ever ask for or imagine (Ephesians 3:20).

Let me remind us of all of the following truths, as we celebrate this day:

First, we all were created by God to know, love, and serve God and by so doing, attain our end, which is life with God forever;

Second, the greatest desire for our life is happiness. Often times, we seek things that do not enduringly make us happy, that is, we get carried by things that do not objectively make us happy; we see this in that even the things that we think make us happy, do not make us permanently happy;

Third, after several attempts, we can come to the realization that God alone is our happiness. Honestly, many come to this realization late in life; some never do. It is a blessing that we are taking our faith seriously; it is a grace; and in as much as it is grace for us, it is a responsibility. We have the responsibility for the many who do not know God or for whom God no longer means anything;

Fourth, Jesus Christ is our happiness. In Jesus, we have a concrete path to what it means to be happy. Following Jesus does not imply a magical form of happiness; the Cross is a part of it; but the Cross helps us to become people capable of living with God forever;

Finally, the victory of the Cross of Christ is made present to us daily in the Sacrament of the Holy Eucharist. When we gather as a family, that is precisely what we do: we listen to God's Word in Scripture and we Break Bread: **"As I, who am sent by the living Father, myself draw life from the Father, so whoever eats me will draw life from me" (John 6:57)**. We draw strength from the Lord's Body in the Eucharist, and then we go out and set the world ablaze with the fire of Christ!

This is our anniversary project, to move from maintenance to mission, to set the world ablaze with the fire of the Gospel!

I wish everyone a beautiful celebration. I thank God for the past pastors of our parish. I thank God for all the Christians that have generously kept Ste. Anne's going these 120 years. We pray for all the dead from our parish. May they find peace in the presence of the Lord. Long live Ste. Anne's. God bless Ste. Anne's. God bless the United States of America.

Happy Anniversary to all.

Fr. Maurice

Hope in Tribulation

33rd Sunday Ordinary Time (Cycle B)

Daniel 12:1-3 | Psalm 16:5,8-11 | Hebrews 10:11-14,18 | Mark 13:24-32

In this, the second-to-the-last week of the Church year, Jesus has finally made it to Jerusalem. Near to His passion and death, He gives us a teaching of hope - telling us how it will be when He returns again in glory. Today's Gospel is taken from the end of a long discourse in which He describes tribulations the likes of which haven't been seen "since the beginning of God's creation" (see Mark 13:9). He describes what amounts to a dissolution of God's creation, a "devolution" of the world to its original state of formlessness and void. First, human community - nations and Kingdoms - will break down (see Mark 13:7-8). Then the earth will stop yielding food and begin to shake apart (13:8). Next, the family will be torn apart from within and the last faithful individuals will be persecuted (13:9-13). Finally, the Temple will be desecrated, the earth emptied of God's presence (13:14). In today's reading, God is described putting out the lights that He established in the sky in the very beginning— the sun, the moon and the stars (see also Isaiah 13:10; 34:4). Into this "uncreated" darkness, the Son of Man, in Whom all things were made, will come. Jesus has already told us that the Son of Man must be humiliated and killed (see Mark 8:31). Here He describes His ultimate victory, using royal-divine images drawn from the Old Testament - clouds, glory, and angels (see Daniel 7:13). He shows Himself to be the fulfillment of all God's promises to save "the elect," the faithful remnant (see Isaiah 43:6; Jeremiah 32:37). As today's First Reading tells us, this salvation will include the bodily resurrection of those who sleep in the dust. We are to watch for this day, when His enemies are finally made His footstool, as today's Epistle envisions. We can wait in confidence knowing, as we pray in today's Psalm, that we will one day delight at His right hand forever.

2021

While our world is weary
and worn with pain,
May we take hope and find courage
in what we celebrate:
The strong faith of our ancestors,
The friendship of neighbors and relatives,
The generous leadership of pastors,
The goodness of each one willing to reach out
and be there in time of need.
Renew us, O Holy Spirit!
May we leave here filled with hope,
knowing that the people of Ste. Anne
Believed in your constant Presence,
Accepted your Grace,
Shared your Love, and
Celebrated your Life with one another,
with Jesus in our midst, as one family.
Amen

LIVE THE LITURGY

Every human being asks and answers a very important existential question. What happens to us when we die? The answer we provide will determine how we chart the course of our existence. It will also determine whether the Second Coming of Christ will be of any concern to us. For many, life is simply a random occurrence with no significant intention or meaning about it. For these people, their eventual death, and the end of the earth as we know it, have little importance beyond their personal consequences. But, for people of faith our natural death and the Second Coming of Christ have huge implications. It is to these things that our faith speaks volumes and can bring a keen understanding and direction that the secular world simply cannot provide. This is where the call to vigilance and the primordial virtues of faith, hope, and love become useful and meaningful. We are works in progress who can either resist the inspirations of the Divine Artist or give into the wonderful surprising creativity of his will. ©LPi
