We Transform the World! CATHOLIC SCHOOLS

The Catholic Schools Office of the Archdiocese of Galveston-Houston is exploring the interest of families for a Catholic career-technical high school.

Parent Survey – 6th Grade and Above

The Archdiocese of Galveston-Houston is currently developing plans for a technical secondary education option for students by looking at the feasibility of a Catholic Career-Technical High School or CCTHS. The Development Committee of the CCTHS Advisory Board has planned an initial curriculum offering based on 10-year job projections for high-wage, high-demand careers within the Houston metroplex, as well as throughout the country. Our goal is to provide a truly unique, Catholic centered, technical high school education to students who may be looking to develop skills that will allow them to enter the workforce directly out of high school or move on to the college experience of their choice.
Your input will help us to better evaluate curriculum offerings and potential attendance in the new high school.

Please take a few minutes to complete our Interest Survey by clicking the link below.
https://archgh.cvent.com/CCTHS

Survey Ends November 30, 2020.

If you are interested in learning more or in being a Corporate Sponsor, please email**CCTHS@archgh.org**.
