Stewardship of Treasure

A "steward" is defined as "a person entrusted with the responsible care of the resources of another".

Each of us is a steward, entrusted with the "resources" belonging ultimately to God - our lives, our vocation, our family, our gifts & talents, our material wealth, our ministry.

Responsible stewardship is the obligation of all Catholics. The success of St. Margaret Mary Parish rests on those who take this obligation seriously.

Respect Life News

Every year, more than 1,000 living babies are dismembered by abortionists in Louisiana. This gruesome procedure must be stopped. Living, unborn babies should not be torn limb from limb, and your voice can help us put a stop to this inhumane procedure. Please email your elected officials asking them to pass legislation that protects unborn children in our state from the barbaric practice of dismemberment abortions. Take action today! Go to www.ProLifeLouisiana.org/dismemberment and sign the petition.

(L) = Intention for Living

Someone has said that if Christians really understood the full extent of the power we have available through prayer, we might be speechless. Did you know that during World War II there was an advisor to Churchill who organized a group of people who dropped what they were doing every

day at the prescribed hour for **one minute** to collectively pray for the safety of England, its people, and peace?

There is now a group of people organizing the same thing here in America. If you would like to participate:

Every evening at **8PM Central**, stop what you are doing and spend **one minute** praying for the safety of the United States, our troops, our citizens, and for a return to a Godly nation. If you have a smart phone - set an alarm to remind you to pray from 8-8:01 PM. Please pass this along to your prayerful family and friends. Our prayers are the most powerful asset we have.
