**PRAYER CORNER**

**To be Generous in Giving**  
  
Lord Jesus, you came to tell us that the meaning of life is GIVING. You told us that those who cling too tightly to what they have– without thought for others– end up losing everything. Help me realize it is not earthly success, or riches, or fame that necessarily give life meaning. Rather it is the service rendered to others in your Name that brings fulfillment and makes my life worthwhile. May all my activity help build God’s kingdom: my suffering bear genuine fruit, my obedience bring true freedom, and my death lead to eternal life, Amen.

**For the Sick**  
  
Father, your Son accepted our sufferings to teach us the virtue of patience in human illness. Hear the prayers we offer for our sick brothers and sisters. May all who suffer pain, illness, or disease realize that they are chosen to be saints, and know that they are joined to Christ in his suffering for the salvation of the world, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

From the St. Joseph Missal.

It has been suggested, to include once in a while a fun, easy-to-make Halloween treat recipe.

**SILLY APPLES**

Prepare quartered green apples with a slit like an open mouth. Smear inside with peanut butter or other. Use sunflower seeds for teeth. Slice fresh strawberries to make the tongue. Use peanut butter to “glue” googly edible eyes and serve with a smile!

Today’s gospel tells us how only one cured person out of the 10 lepers returned to thank Jesus for the miracle. Let’s plan to give a prayer of thanksgiving to the Lord daily, for all the goodness that we receive, and not take our life, and blessings for granted.
