WORLD DAY OF THE SICK– FEBRUARY 11

The ministry of Jesus to the sick is central to the life of the Church. February 11 (Memorial of Our Lady of Lourdes) highlights the healing ministry of the Church. It reminds us that service to the sick and suffering cannot be neglected. It recognizes the great efforts of doctors, nurses, health care institutions and pastoral care givers to restore health to those afflicted with illness and disease.

PRAYER FOR WORLD DAY OF THE SICK

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering, may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts.

We ask this through the Lord Jesus who held those who believed.

AMEN
