**Dear Parishioners,**

**Let us reflect on the profound significance of Christ's resurrection. St. Paul reminds us, "If Christ has not been raised, our preaching is useless and so is your faith" (1 Corinthians 15:-14). The greatness of Easter. We have been freed from the darkness of Easter lies not only in the historical event but also in its transformative impact on all of creation.**

**Redemption is at the heart of Easter. We have been freed from the darkness of sin, and through Christ's triumph over death, we emerge victorious. Light has conquered darkness, and hope fills the earth. As Easter people, we are called to witness to the power of Light and Life. Our words and actions must shine forth, leading others to Him.**

**We are God's gift to one another and to our community. May this season fill your hearts with renewed Hope, Joy and Peace.**

**Happy Easter, may Risen Christ give you and your family Peace!**

**With blessings and love,**

**Fr. Clarence Dinesh**
