Sunday Reflection:

"Friends, today's Gospel gives us the parable of the unforgiving servant, which reveals what is at the root of our inability to forgive. In the deepest sense, we don't belong to ourselves. Everything we have and all that we are comes from God. We are meant, with all of our gifts, to serve God's purposes. Our very existence comes from God, but so does the forgiveness of our sins. Through no merit of ours, Christ has died for our sins and offered us the divine mercy. The upshot is this: there is nothing particularly stable about the self, nothing that it can claim for its own. All that it has is received as a gift." -Bishop Robert Barron
