Memorial of Saint Irenaeus, June 28th

Quote from the Catechism

Christ's compassion toward the sick and his many healings of every kind of infirmity are a resplendent sign that "God has visited his people" and that the Kingdom of God is close at hand. Jesus has the power not only to heal, but also to forgive sins; he has come to heal the whole man, soul and body; he is the physician the sick have need of.
