Worldwide Marriage Encounter is a weekend for married Christian couples who value their relationship and desire a richer, fuller life together.

The emphasis is on communication between husband and wife, who, spend a weekend together away from the distractions and the tensions of everyday life, to concentrate on each other.

It's not a retreat, nor a marriage clinic, nor group sensitivity. It's a unique approach aimed at revitalizing Christian Marriage.

 Weekend Retreat March 2023

May 5th-7th, 2023

September 22th-24th, 2023

Engaged Encounter weekends help couples prepare for marriage in a retreat setting by providing one-on-one time to learn about each other and marriage based on 5 major themes:

- The Family we Grew up in
- Sacramental Marriage
- Communication
- Intimacy
- Values

The ability to communicate effectively and openly is the most important tool for a great marriage. The retreat focuses on building communication skills within the other four themes. Learn more and register at:
