Today is the Fifth Sunday in Ordinary Time

THIS LITTLE LIGHT OF MINE As children we sang the lively song This Little Light of Mine. The words, of course, are based on today's Gospel, in which we are called as disciples to be salt and light for the world. Children are uninhibited about sharing their faith. It's only when we grow older that we prefer to hide our light under a bushel basket because our culture tends not to emphasize discipleship. The message in this week's readings is clear: in order to give glory to God through our discipleship, we must show the light of Christ in our words and deeds. Not an easy thing for inhibited adults. Often we may think of salt and light in terms of what we do for others, but it can be just as important not to do something, such as getting angry with the stranger on the road, or telling an offensive joke.

Stewards of God's gifts are not passive beneficiaries. We cooperate with God in our own redemption and in the redemption of others. We are also obliged to be stewards of the Church—collaborators and cooperators in continuing the redemptive work of Jesus Christ, which is the Church's essential mission.

This mission—proclaiming and teaching, serving and sanctifying—is our task. It is the personal responsibility of each one of us as stewards of the Church.

All members of the Church have their own roles to play in carrying out its mission:

- Parents, who nurture their children in the light of faith;
- Parishioners, who work in concrete ways to make their parishes true communities of faith and vibrant sources of service to the larger community;
- All Catholics, who give generous support—time, talent, treasure, prayers, and personal service according to their circumstances—to parish and diocesan programs and to the universal Church.

Reflecting on God's Word

In today's reading from the Letter to the Corinthians Paul says it is the power of God working through him, not his own wisdom or talents, that allowed the Corinthians to put their faith in the gospel. The Corinthians themselves were so self-satisfied and proud about their gifts that they had forgotten who gave them what they had and what their gifts were for. Paul reminds them, and us, that everything we have ~ even our faith ~ is from the Lord and for others. It is the Lord's light that shines through those who, like Paul, put their trust in God. To walk in that light is to allow God's generosity, mercy, and justice to shine through us. And that means sharing all we have, as individuals and as a community, the way God has done and continues to do for us. The Second Vatican Council's Dogmatic Constitution on the Church is entitled Lumen Gentium, "Light of the Nations," because that is what the Church is called to be. Christ's light is given to us ~ not only for our own personal benefit now or salvation someday ~ but that others might "see the light" and turn their gaze and their lives toward the dawning Sun of Justice: Christ, our Light. ~ *Virginia Stillwell*

Our Lady of Grace Rosary Group

Please call Sharon at (402)873-8111 if you can attend or if you would be willing to host a Rosary for our traveling "Our Lady of Grace." ***My soul magnifies the Lord. And my spirit rejoices in God my Savior.*** **Canticle of Mary.**

Our heartfelt sympathy goes to David and Helene Ball on the passing of Helene's mother, *Helen Langlois;* to Renee Cozine and Family on the passing of her father, *Joe Vernali*; and, to Jim Robinson on the passing of his sister, *Sister Catherine Robinson.* Our thoughts and prayers are with the families and their loved ones.
