Twenty-Second Sunday in Ordinary Time

September 2, 2018

The Twenty-Second Sunday in Ordinary Time

THE HIGHEST LAW. From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident

in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.

In baptism, we become members of the Church and are called to be disciples of Christ, which means we are called to serve on another?

Baptism is the premier Sacrament of the Church and the beginning of our eternal life with God. If you are expecting a child, or have a child that has not yet been Baptized, a short preparation class is required. Classes will be scheduled on Sundays of every other month at 3:00 pm in St. Andrew Hall. You must call the church office to register so that we know you are coming or make other arrangements necessary. **NEXT CLASS: SEPTEMBER 23, 2018** (English). A class in Spanish will be held but is yet to be determined.

OUR LADY OF THE LAKE CEMETERY UPDATE

The Expansion of the Cemetery is now complete (many thanks to parishioners and members of the Men's Club who helped clear the area!) and approximately 150 new markers (graves) are available to parishioners and non-parishioners. The cost is the same for members and non-members: \$1,500 for a single marker which can have a casket and an urn with cremains or two cremains interred therein. Please be advised that the price will go up to \$1,800 per single marker on January 1, 2019.

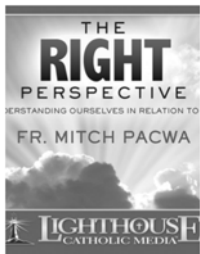

For any questions, don't hesitate to contact Donnie Jameson, Director of Operations, at 803.535.9029, operations.director@ollchapin.org. The next step will be a possible Columbarium built in the Cemetery, which may necessitate the pre-sale of spaces.

Lighthouse Catholic Ministry God's View

God is so large, and we so small ... do our sins really matter? Father Mitch is a priest of the Society of Jesus, a highly respected scripture scholar and author, a regular host of EWTN Television and Radio, and the founder and president of Ignatius Productions—a catholic teaching and media apostolate. Listen as Fr. Pacwa describes the "big picture" of the Catholic Faith while explaining the perspective that Catholics ought to have in their relation to and with God. Rosary Prayed in Church

Before the Vigil Mass on Saturdays and on Sundays before the Evening 5 pm Mass, beginning at 4:20 pm during the month of September due to New Mass Setting.

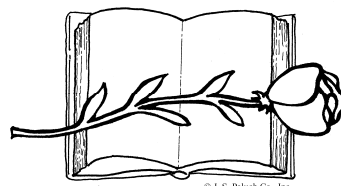

In today's Gospel from Mark, Jesus instructs us in the best way we can honor Him, teaching us the meaning of true worship. Jesus reveals that the way we truly worship Him is by giving Him our hearts. We also learn in this Gospel passage what our Lord does not want — the pious lip service that the scribes and Pharisees offer.

But how can we determine if we really are giving our hearts over to the Lord and not just paying Him lip service? We must examine our lives to see if they reflect a life lived out for Him. Stewardship gives us a concrete means to examine our lives in three fundamental areas — the use of our time, our talents, and our material gifts.

A stewardship way of life invites and challenges us to make specific commitments in each of these areas on a regular basis, giving us a practical means to commit to the Lord. How well we are keeping these commitments can give us a kind of measuring stick to see if we are growing closer to Him, or perhaps need to put a little more effort into a particular area of our lives.

When we all strive to give God true worship — putting Him first with all our hearts — what beauty we will find in our homes, our parish, and our world.
