Honor a Loved One with a Mass Intention

When a priest celebrates Mass, he has at least two specific intentions: to celebrate the Mass reverently and to apply the grace of that Mass toward a specific need or intention. The practice of requesting a Mass to be intended for loved ones, living or deceased, is a beautiful and wonderful part of our Catholic tradition. They make beautiful gifts for any special occasion: birthday, anniversary, in thanksgiving for a prayer answered, and any other intentions one may have. To request a Mass intention, please call the Parish Office.

Safeguard the Children Did you know?

Talk to your teenagers about Instagram

Teens and social media have been in the news a lot over the past several months, as research shows how damaging social media sites can be for self-esteem, productivity, and overall well-being. Instagram has been called out, with research citing harm done by filters and by bullying in private messages. How can parents protect their children from the negative impacts such a popular and prevalent site cause? Experts recommend keeping open lines of communication with your teenagers, talking to them often about what they see and how they feel about it. Use age and activity limits or monitoring to keep tabs on how your teens are using Instagram and other social media sites. For more information, read the Associated Press' "Instagram and teens: How to keep your kids safe," at <https://apnews.com/article/technology-social-media-instagram-parents-guide-d5124f7229bbd6a892d9ac487cc04f96>.

Platiqué con sus adolescentes sobre Instagram

Los adolescentes y las redes sociales han estado en las noticias durante los últimos meses, ya que las investigaciones muestran cuán dañinos pueden ser los sitios de redes sociales para la autoestima, la productividad y el bienestar general. Instagram ha sido criticado, con investigaciones que citan el daño causado por los filtros y el acoso en los mensajes privados. ¿Cómo pueden los padres de familia proteger a sus hijos de los impactos negativos que causa un sitio tan popular y prevalente? Los expertos recomiendan mantener abiertas las líneas de comunicación con sus adolescentes, hablando con ellos a menudo sobre lo que ven y cómo se sienten al respecto. Use límites de edad y actividad o monitoreo para controlar cómo sus adolescentes usan Instagram y otros sitios de redes sociales. Para obtener más información, lea "Instagram and teens: How to keep your kids safe" (Instagram y adolescentes: cómo mantener seguros a sus hijos) de Associated Press en <https://apnews.com/article/technology-social-media-instagram-parents-guide-d5124f7229bbd6a892d9ac487cc04f96>.
