

**Good Morning. Happy Mother's Day. May Blessed Mother Mary be an example to all Mothers and lead them to experience Joy, Happiness, and Peace in all they sacrifice for their Families. May God bless all the Mothers. My sincere and special prayers are for all Mothers. I also pray that Mothers, who have gone before us for Eternal reward, may through the Mercy of the Lord enter into ETERNAL PEACE. May they rest in PEACE. Happy Sunday. Be safe, blessed, and healthy.**
