

SCAM TEXTS

Scam texts are being sent out under Monsignor Royal's name. The texts are asking for help. PLEASE IGNORE AND DELETE these texts. Please be assured, Monsignor Royal would never send anything like this to Parishioners. Scam emails go out at times as well. Please ignore and delete.

Chris Gillespie, Diocesan Technology Services, advises...

You should instruct the parishioners to forward the text to 7726 (SPAM). The Global System for Mobile Communications (GSMA) has designated 7726 (which spells SPAM) as a number for reporting spam texts. Most major carriers in the U.S. are members of the GSMA, including hundreds of providers worldwide. Reporting scams to this number will flag the phone number to the global network that it is a spam number.
