BINS IN SCHOOL ENTRANCE OR IN  
CHURCH VESTIBULE. THANK YOU!**

Members of St. Mary Parish are going on a mission to Guatemala in February to build a home for an impoverished family, volunteer at God's Child Project with vulnerable children and families, and visit and help our sister school, Colegio Angelitos de Dios. We will see firsthand the progress Habitat for Humanity has made in Rebuilding Santa Maria de Jesus, which we raised funds for in the fall.
