

St Marys/Office for Youth & Families

2026 2027/Hybrid Home Study

St. Mary Religious Education currently offers a hybrid home study program for those requiring a more flexible class option. All Hybrid Home Study classes involve required *in-person components* to successfully complete the program. We do not offer a program that can be done 100% remotely at this time.

Registering for the St. Mary Religious Education Hybrid Home Study program is contingent upon approval. To schedule an appointment to meet with Monsignor Royal and Jennifer Cade regarding your home study [request](#), please email oyf@smcr.org for date and time availability. Meetings should be attended by both parent and child(ren). Hybrid Home Study will not be an online program, therefore, these students will incur an additional \$50 fee to cover the cost of purchasing a teacher manual for their family. Those receiving approval will be emailed the Hybrid Home Study registration link.
