Draw and color your favorite part of the story.

Incoming Kindergarten Students

Here are some ideas to help with summer reading:

- Have a set time and a comfy place each day for reading.
- Choose "good" books and topics that stir your child's imagination.
- Have thoughtful questions ready to spur discussions about the book.
- Have your child choose an interesting passage or picture to read/describe to the rest of the family.
- Read portions of the book with your child.
- Visit your local library to explore even more books of interest.
- Have your child read various texts often, with you and independently.

Incoming Kindergarten should read the following recommended reading and complete a short summer reading assignment to be turned in within the first two weeks of school. Please help your child to write the Tittle, Author, and Illustrator of the book they choose to read this summer. Then have them draw and color their favorite part of the story.

- Mother Goose by Kate Green Way
- Fables by Arnold Lobel
- The House at Pooh Corner by A. A. Milne
