Day of Abstinence

## Fast and Abstinence and Other Acts of Penance For Lent 2015

The Bishops of the United States prescribe, as minimal obligation, that all persons who are fourteen years of age and older are bound to abstain from eating meat on Ash Wednesday, on all the Fridays of Lent and Good Friday. Further, all persons eighteen years of age and older, up to and including their fifty-ninth birthday, are bound to fast by limiting themselves to a single full meal on Ash Wednesday and on Good Friday, while the other two meals on those days are to be light. All the faithful are encouraged, when possible, to participate in Mass and to receive the Holy Eucharist daily, to undertake spiritual reading, especially the study of the Sacred Scriptures, and to participate in parish Lenten devotions as well as Lenten educational programs. Adoration of the Blessed Sacrament is especially recommended.

### **Examination of the Conscience**

In an examination of conscience, before the Sacrament of Penance, each individual should ask himself these questions in particular:

1. What is my attitude to the Sacrament of Penance? Do I sincerely want to be set free from sin, to turn again to God, to begin a new life, and to enter into a deeper friendship with God? Or do I look on it as a burden, to be undertaken as seldom as possible?
2. Did I forget to mention, or deliberately conceal, any grave sins in past confessions?
3. Did I perform the penance I was given? Did I make reparation for any injury to others? Have I tried to put into practice my resolution to lead a better life in keeping with the Gospel?
