February 13, 2022

As members of the human race, we all share the same desire: We wish to be happy! This is not a human invention, God designed us to seek our happiness.

We all look for it, however, many do not know where to look for it. The greatest discovery of our lives is to conclude that: Our happiness is God! Every true source of happiness comes from Him.

Our illusion of control effectively curses us, riding us on a roller coaster of ups and downs in our lives. Let's accept it! we are not in control of our happiness. Sometimes we try to control areas of our life. We want to live in a better world. We want to have better resources and more money. We want to have a better diet, superior health, a better body. We identify the elements guilty of our unhappiness and want to take those elements out of our life: poverty or disease, for example.

Trusting man means trusting in ourselves. It is to think that everything depends, alone, on our personal efforts and capabilities. And in that desire for control, we crash, discovering that we are not in control of anything. That's the curse. Our illusion of control effectively curses us, riding us on a roller coaster of ups and downs in our lives.

This weekend's readings invite us to get off that roller coaster and give our trust to God; and give control of our lives to God. Only in this way do we discover how to really be happy; Blessed.

None of us like to move from feeling good to feeling miserable. It is about participating in the game of the wheel of fortune, which we have accepted for life, where sometimes we are up and other times down. There is a solution to this, staying in the center; where it does not vary, nor does it move and allow God to control the outside. Discovering how to be happy with God defines us as Blessed.

The prophet Jeremiah tells us about that center; of that dependence on God, telling us: "Blessed is the man who trusts in the Lord and places his hope in him. It will be like a tree planted next to the water, which sinks its roots into the current; when the heat comes, you will not feel it and its leaves will remain evergreen; in a year of drought it will not wither or cease to bear fruit." For the Jeremiah tree, it is heat or drought. For us it is, as Luke's gospel describes: poverty, hunger, disease, persecution, weeping, heartbreak, insults or curses. And none of this affects our happiness, if we have our lives centered on God.

Jesus is not telling us that we should rather be poor or prefer to go hungry. It is not about backing down, stopping striving or not doing our part, to overcome the challenges that life presents us. God wants us to use our talents to make a better world.

What Jesus wants to tell us is that in whatever situation we are going through, even if it is painful and makes us suffer; that situation is not going to take us away from God. If we focus our lives on God; If we trust in Him, at every stage we find the potential to grow and deepen our relationship with God and our love for Him.

Como miembros de la raza humana, todos compartimos el mismo deseo: ¡Deseamos ser felices! Esto no es un invento humano, Dios nos diseñó para buscar nuestra felicidad.

Todos la buscamos, sin embargo, muchos no saben dónde buscarla. El mayor descubrimiento de nuestras vidas es concluir que: ¡Nuestra felicidad es Dios! Toda verdadera fuente de felicidad, proviene de él.

Nuestra ilusión de control, efectivamente nos maldice, montándonos en una montaña rusa de altas y bajas en nuestra vida. ¡Aceptémoslo! no tenemos el control de nuestra felicidad. A veces tratamos de controlar ámbitos de nuestra vida. Queremos vivir en un mundo mejor. Queremos tener mejores recursos y más dinero. Queremos tener una mejor alimentación, una salud superior, un mejor cuerpo. Identificamos a los elementos culpables de nuestra infelicidad y queremos sacar esos elementos de nuestra vida: pobreza o enfermedad, por ejemplo.

Confiar en el hombre quiere decir, confiar en nosotros mismos. Es pensar que todo depende, solo, de nuestros esfuerzos y capacidades personales. Y en ese afán de control, nos estrellamos, al descubrir que no tenemos el control de nada. Esa es la maldición. Nuestra ilusión de control, efectivamente nos maldice, montándonos en una montaña rusa de altas y bajas en nuestra vida.

Las lecturas de este fin de semana, nos invitan a bajarnos de esa montaña rusa y darle nuestra confianza a Dios; y darle el control de nuestras vidas a Dios. Sólo así descubrimos cómo realmente ser felices; bienaventurados.

A ninguno de nosotros nos gusta movernos de sentirnos bien a sentirnos miserables. Se trata de participar en el juego de la rueda de la fortuna, que hemos aceptado de por vida, donde a veces estamos arriba y otras veces abajo. Hay una solución para esto, quedarnos en el centro; donde no varía, ni se mueve y permitirle a Dios controlar lo exterior. Descubrir cómo ser felices con Dios, nos define como Bienaventurados.

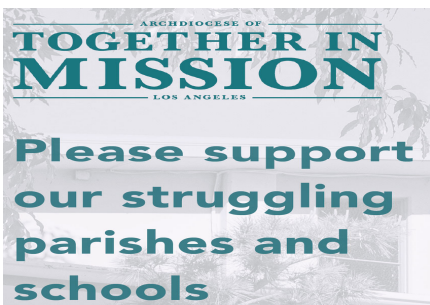

El profeta Jeremías nos habla de ese centro; de esa dependencia de Dios, diciéndonos: “Bendito el hombre que confía en el Señor y en él pone su esperanza. Será como un árbol plantado junto al agua, que hunde en la corriente sus raíces; cuando llegue el calor, no lo sentirá y sus hojas se conservarán siempre verdes; en año de sequía no se marchitará ni dejará de dar frutos”. Para el árbol de Jeremías, es calor o sequía. Para nosotros es, como describe el evangelio de Lucas: pobreza, hambre, enfermedad, persecución, llanto, desconsuelo, insultos o maldiciones. Y nada de esto afecta nuestra felicidad, si tenemos nuestras vidas centradas en Dios.

Jesús no nos está diciendo que debemos preferir ser pobres o preferir pasar hambre. No se trata de echarnos para atrás, dejar de esforzarnos o dejar de poner de nuestra parte, para superar los retos que la vida nos presenta. Dios si quiere que usemos nuestros talentos para hacer un mundo mejor.

Lo que Jesús quiere decirnos es, que en cualquier situación que estemos pasando, aún si es dolorosa y nos hace sufrir; esa situación no nos va a alejar de Dios. Si centramos nuestras vidas en Dios; si confiamos en Él, en cada etapa encontramos el potencial para crecer y profundizar nuestra relación con Dios y nuestro amor por Él.

SAFEGUARD THE CHILDREN ARTICLE-

How to help children cope with school shootings in the news

School shootings are in the news often,
 and children can understandably
 develop major fears about them. Keep
 up with what your children are talking
 about — if they seem to be focused on
 school shootings, it can be helpful to
 talk about these types of violence in a
 balanced context. For more ideas about
 how to discuss this with your children,
 request a copy of the VIRTUS® article

SALVAGUARDADO A LOS NIÑOS-

Cómo ayudar a los niños a sobrellevar los tiroteos escolares en las noticias

Los tiroteos en las escuelas a menudo
 aparecen en las noticias y,
 comprensiblemente, los niños pueden
 desarrollar grandes temores sobre
 éstos. Manténgase al tanto de lo que
 hablan sus hijos: si parecen estar
 enfocados en los tiroteos en las
 escuelas, puede ser útil hablar sobre
 este tipo de violencia para ofrecer una
 perspectiva equilibrada. Para obtener
 más ideas sobre cómo hablar de esto
 con sus hijos, solicite una copia del
 artículo de VIRTUS® en inglés, "Helping
