The Blessed Virgin Mary's 15 Promises to Those Who Faithfully Pray the Rosary

These are the 15 Promises
that the Blessed Virgin Mary
gave to Saint Dominic
and Blessed Alan de la Roche,
saying

**"Whatever you ask in the Rosary
will be granted."**

1. To all those who shall recite my Rosary devoutly, I promise my special protection and very great graces.
2. Those who shall persevere in the recitation of my Rosary shall receive some signal grace.
3. The Rosary shall be a very powerful armor against hell; it will destroy vice, deliver from sin, and dispel heresy.
4. The Rosary will make virtue and good works flourish, and will obtain for souls the most abundant divine mercies; it will substitute in hearts love of God for love of the world, and will lift them to the desire of heavenly and eternal things. How many souls shall sanctify themselves by this means!
5. Those who trust themselves to me through the Rosary, shall not perish.
6. Those who shall recite my Rosary devoutly, meditating on its mysteries, shall not be overwhelmed by misfortune. The sinner shall be converted; the just shall grow in grace and become worthy of eternal life.
7. Those truly devoted to my Rosary shall not die without the Sacraments of the Church.
8. Those who recite my Rosary shall find during their life and at their death the light of God, the fullness of His graces, and shall share in the merits of the blessed.
9. I shall deliver very promptly from purgatory the souls devoted to my Rosary.
10. The true children of my Rosary shall enjoy great glory in heaven.
11. What you ask through my Rosary, you shall obtain.
12. Those who propagate my Rosary shall be aided by me in all their necessities.
13. I have obtained from my Son that all the members of the Rosary Confraternity shall have for their brethren the saints of heaven during their life and at the hour of death.
14. Those who recite my Rosary faithfully are all my beloved children, the brothers and sisters of Jesus Christ.
15. Devotion to my Rosary is a great sign of predestination.

Politics, Voting and Christian Faith

By Christopher Ruff
Director of the Office for
Ministries and Social Concerns
Diocese of La Crosse

As Christians, we do not leave our faith behind when we engage the world of politics and elections. We understand that politics, like every other part of life, must be illuminated by God's light or we will stumble in the dark. A generation ago, a large majority of Americans shared this view. Call it the *Classical Christian Worldview*. It was the common foundation for our social and political life; we assumed it, like the ground beneath our feet. Today, however, that foundation is under attack from another worldview, one that rejects God, or at least disregards Him, as it makes the self supreme. Let's call it the *Radical Selfist Worldview*.

The Classical Christian Worldview

The *Classical Christian Worldview* holds that we have received our lives as a gift from a God who loves us, and that we are accountable to Him. It believes in moral laws that God has written on our hearts and clarified through His revelation. This is His blueprint for us, His design for our happiness and fulfillment. This blueprint reveals to us certain foundational moral principles. Among them, we see:

- That every human life, of every race and nation, born and unborn, is sacred, with equal rights and dignity.
- That we are created male or female according to God's plan.
- That sexual relations are meant for marriage between one man and one woman.
- That religious freedom and the rights of conscience are sacred.

Though we are imperfect human beings, we work to build our lives on foundational principles such as these, as we raise our families and shape our social and civic communities.

The Radical Selfist Worldview

The *Radical Selfist Worldview* opposes everything we have just described, rejecting the idea of a God-given blueprint. Everything is up to personal 'choice'. We can choose our own gender, our preferred exercise of sexuality, our definition of marriage, and even whether a child in the womb shall live or die. *Radical Selfism* preaches tolerance until it gains power, at which point it seeks to intimidate, silence and punish those who disagree with it. Unfortunately, this worldview has been promoted by many in Hollywood, mass media, and big tech. It has also infected substantial segments of corporate America, the education system, and government.

Political Consequences

Sadly, the current political landscape essentially forces us to choose between these two worldviews. This choice has significant consequences at every level of government, from the White House and Congress to State and local officials and school boards. The most telling indicator of *Radical Selfism* is advocacy of abortion, by which man steals from God the very power over life and death. By far the gravest human rights violation of our time, abortion has cost the lives of more than 64 million unborn babies in our nation. Thankfully, the recent Supreme Court decision reversing *Roe v. Wade* has returned abortion law to the states. But abortion advocacy continues with its deceitful buzzwords and slogans, closing its eyes to the life of the child in the womb. Moreover, abortion is inevitably clustered with other positions favored by the *Radical Selfist Worldview*.

What is a Christian to do?

While we cannot expect perfection from any political candidate, it is vital that Christians support those most closely aligned with the *Classical Christian Worldview*, and oppose those aligned with the *Radical Selfist Worldview*. For *Radical Selfism*, with its worship of 'choice' in place of God, inevitably produces bitter fruits: moral and civil breakdown, destruction, and death. It is simply impossible to achieve lasting harmony and peace without adhering to the foundational principles of God's plan. Therefore, let us be courageous witnesses to the Gospel, and pray tirelessly that God might heal our nation and lead us in His ways. And let us intensify our efforts to elect candidates with the courage to stand up for the God-given principles and rights on which our nation was founded. Our future, and the future of our children and our grandchildren, is at stake.
