**SAINT WHO?****SAINTS WHO PROMOTED EUCHARISTIC DEVOTION**

Blessed Carlo Acutis

Young layman († 2006)

Feast: October 12

"If we get in front of the sun, we get sun tans, but when we get in front of Jesus in the Eucharist, we become saints." Carlos Acutis was born in England, but his parents moved back to their native Italy when he was a baby. While still very young, he was drawn to the Eucharist. His parents were not yet particularly devout, but Carlo started to insist on entering every church they passed to greet Jesus. He asked to make his First Communion at the age of seven, and faithfully attended daily Mass.

Carlo was a fun-loving boy who had four dogs, two cats, and lots of goldfish. He loved computers and computer games. By a special grace, he knew he would die young, but it did not sadden him. He was eager not to waste his time, and devoted himself to works of charity, including working as a catechist from the time he was confirmed at age eleven.

Soon he began to travel to the sites of Eucharistic miracles. He wished to foster belief in the Real Presence and draw others to the Catholic faith, so he built a website documenting these miracles: **[www.miracolieucaristici.org](http://www.miracolieucaristici.org)**. Carlo died at age fifteen from a devastating leukemia. "I am happy to die...because I have lived my life without wasting a minute on those things that do not please God".

Eucharistic Jesus, aided by the prayers of Blessed Carlo Acutis, may we never consider time spent with you as wasted.
