PICNIC (TODAY) SUNDAY: Sts. Peter & Paul Church in Plum 124th annual Parish Festival. **NEXT MONDAY:** St. John Parish in Schulenburg Annual 4th of July Picnic.

PRO-LIFE CORNER: Science has determined that at conception a new individual comes into being, possessing a unique genetic code that has already determined that individual’s sex, fingerprints, hair and eye color, facial features, etc. This is more than just a “blob of tissue”, it’s our future generations.

THE ROSARY is prayed 30 minutes before Mass. Please come and pray for the following: for special needs in our parish, for the sick and the deceased in our parish, for our government, for our service men and women out in the field fighting for our country, for an end to abortion and pro-choice, for an end to drug abuse and violence, for vocations, for living and deceased priests, for our Holy Father and for our own intentions.

PARISH HALL ADDITION: The building and finance committees of Saint John Nepomucene have voted to approve an addition to the rear entrance of the parish hall. Our parish hall is used frequently by our parishioners for various events. However, in inclement weather, it becomes quite difficult to fully utilize the kitchen since there is no cover over the back entrance, where people using the hall would normally bring in food and/or decorations. Further, since there is no all-weather surface, any rain causes people coming in the rear entrance to track in mud. Therefore, it was decided to ask for bids to install a cover for the rear entrance area that included a cement surface to make it more convenient for parishioners using the hall. The cost of the project will be approximately \$43,000. We are asking you, as a parishioner of St. John Nepomucene, to help out on this project by making a special donation in the envelope provided at each entrance. Any amount is appreciated. On behalf of St John Nepomucene, we thank you in advance for your continued support.
