Catholics have a long tradition of engagement in the public square. Sometimes that engagement requires making difficult moral decisions that impact our own lives and those of others. Our conscience can help guide the decisions we make. The Second Vatican Council guides us: "Always summoning [one] to love good and avoid evil, the voice of conscience can when necessary speak to [one's] heart more specifically: do this, shut that" (*Gaudium et Spes* 16). However, our conscience doesn't just come to us when we are born. We must work throughout our lives to form it through prayer, learning, and conversation.

How do I form my conscience?

It takes time to form our consciences so that we can make well-reasoned judgments about particular, real-life situations. The Church teaches that it is important to work continually on conscience formation so we can be prepared to make decisions whenever the opportunity arises. Some specific ideas to form your conscience are:

1). Begin by **being open to the truth** and what is right.
2). Study Sacred Scripture and the teaching of the Church.
3). **Examine the facts** and **background** information about various choices and be discerning in where we gather information.
4). Prayerfully reflect to discern the will of God (*Forming Consciences for Faithful Citizenship,* no. 18).

Additionally, it is important to consider how our community of faith can help us form good consciences through some of these steps:

1). Seek the **prudent advice** and **good example** of trusted leaders and others to support and enlighten our conscience.
2). Learn about the **authoritative teaching** of the Church.
3). Pray for the **gifts of the Holy Spirit** to help us develp our conscience.

Regularly partake in an **examination of conscience** to hear God's voice in your life.

Doing the work of forming our consciences can seem daunting. Fortunately, we have many church teachings that can help us in this important task. *Forming Conscience for Faithful Citizenship* is an important resource for U.S. Catholics and helps us prayerfully reflect on how we can apply Church teaching in our civic life. "Conscience is not something that allows us to justify doing whatever we want, nor is it a mere "feeling" about what we should or should not do. Rather, **conscience is the voice of God resounding in the human heart**, revealing the truth to us and calling us to do what is good while shunning what is evil."
Here are some questions for further reflection:

1). When has my conscience guided me to "do good and avoid evil"?
2). What are some key resources I can use to form my conscience?
3). Forming conscience is a "lifelong task." What do I do to **regularly** form my conscience? What more should I do?

Los católicos tienen una larga tradición de participación en el discurso público. Aveces esa participación requiere tomar decisiones morales difíciles que impactan nuestra propia vida y la de los demás. Nuestra conciencia puede ayudarnos a guiar las decisions que tomamos. El Concilio Vaticano II nos dice: "En los oídos de su corazón", resuena en uno la voz de su conciencia, "advirtiéndole que debe amar y practicar el bien y que debe evitar el mal: haz esto, Evita aquello" (*Gaudium et spes* 16). Sin embargo, la conciencia no está desarrollada simplemente cuando nacemos. Debemos trabajar toda nuestra vida para formala con la oración, el estudio y la conversación.

¿Cómo formo mi conciencia?

Toma tiempo formar nuestra conciencia para que podamos hacer discernimientos bien razonados sobre situaciones particulares de la vida real. La Iglesia enseña que es importante trabajar continuamente en la formación de la conciencia y así estar preparados para tomar decisiones cuando se presente la oportunidad.

Aquí hay algunas ideas específicas para formar su conciencia:

1). Comience por estar abierto a la verdad y a lo que es correcto.
2). Estudie la Sagrada Escritura y la doctrina de la Iglesia.
3). Examine los hechos y antecedentes sobre las distintas opciones, y discierna bien de dónde obtenemos la información.
4). Reflexione iluminado por la oración para discernir la voluntad de Dios (Formando la conciencia para ser cuidadanos fieles, no. 18).

Además, es importante considerar cómo puede nuestra comunidad de fe ayudarnos a formar una buena conciencia mediante algunos de estos pasos:

- Busque el consejo prudente y el buen ejemplo de líderes confiables y otros para apoyar e iluminar nuestra conciencia.
- Conozca la doctrina autorizada de la Iglesia.
- Ore para que los dones del Espíritu Santo nos ayuden a desarrollar nuestra conciencia.
- Haga regularmente un examen de conciencia para escuchar la voz de Dios en su vida.

Hacer el trabajo de formar nuestra conciencia puede producir temor. Afortunadamente, tenemos muchas enseñanzas de la Iglesia que pueden ayudarnos en esta importante tarea. Formando la conciencia para ser ciudadanos fieles es un recurso importante para los católicos estadounidenses, y nos ayuda a reflexionar iluminados por la oración sobre cómo podemos aplicar la doctrina de la Iglesia en nuestra vida cívica. "La conciencia no es algo que nos permite justificar cualquier cosa que queramos hacer, ni tampoco es simplemente un 'sentimiento' acerca de lo que deberíamos o no hacer. Más bien, la conciencia es la voz de Dios que resuena en el corazón humano, revelándonos la verdad y llamándonos a hacer el bien a la vez que a rechazar el malii'. A continuación, algunas preguntas para una mayor reflexión:

1) ¿Cuándo me ha guiado mi conciencia a "hacer el bien y evitar el mal"?
2) ¿Qué recursos clave puedo usar para formar mi conciencia?
3) Formar conciencia es una "tarea para toda la vida". ¿Qué debo hacer para formar mi conciencia regularmente ? ¿Qué más debo hacer?

The Fair Political Practices Committee requires individual and entities to disclose the amount of time and money spend on political campaigns. The purpose of this law is to inform the public about who-and how much-individuals and entities are spending to influence political outcomes. There is an election up on November 8, 2022. The Archdiocese of Los Angeles is particularly interested in this election because Proposition 1, a California Constitutional Amendment that would codify the right to abortion, will be on the ballot. The Archdiocese opposes Proposition 1 and is expending financial resources to defeat it.

ST. GREGORY THE GREAT SCHOOL STUDENT NON-DISCRIMINATION POLICY 2022-2023

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.
