Next Generation Parish

Parroquia Próxima Generación

Thank you for your continued dedication to our parish community.

We are in the final two weeks of our push to encourage parishioners to complete the DMI survey, a vital part of our parish census and planning process. We need everyone's help, to make a strong final effort and boost participation.

Our parish was selected four years ago to participate in the Next Generation Parish (NGP) program. NGP is an initiative by Catholic Leadership Institute (CLI) designed to help Catholic parishes envision and implement a vibrant and sustainable future. It's a multi-year process that involves strategic planning, leadership development, and community engagement with the goal of revitalizing parish life. It's a way for parishes to move from maintenance to mission.

Our parish took a survey 4 years ago and now we have the follow up survey. Please take this survey. You can scan the QR code or go to our website and find the link as well.

SGG DMI Survey

Gracias por su continua dedicación a nuestra comunidad parroquial.

Estamos en las últimas dos semanas de nuestro esfuerzo para animar a los feligreses a completar la encuesta DMI, una parte vital de nuestro proceso de censo y planificación parroquial. Necesitamos la ayuda de todos para realizar un gran esfuerzo final y fomentar la participación.

Nuestra parroquia fue seleccionada hace cuatro años para participar en el programa Parroquia Próxima Generación (NGP). NGP es una iniciativa del Catholic Leadership Institute (CLI) diseñada para ayudar a las parroquias católicas a visualizar e implementar un futuro vibrante y sostenible. Es un proceso de varios años que involucra planificación estratégica, desarrollo de liderazgo y participación comunitaria con el objetivo de revitalizar la vida parroquial. Es una manera para que las parroquias pasen del mantenimiento a la misión.

Nuestra parroquia realizó una encuesta hace 4 años y ahora tenemos la encuesta de seguimiento. Por favor responda esta encuesta. Puede escanear el código QR o ir a nuestro sitio web y encontrar el enlace también.

"From the Organ bench..."

"Christ the Lord is Risen Today"

Today we celebrate "Good Shepherd Sunday", the Sunday we remember our Lord as the Good Shepherd. Starting today, we start to step away from the "Resurrection narrative" part of the Gospel and turn our eyes toward the upcoming solemnities of the Ascension and Pentecost.

As a musical preparation for Ascension we will be singing "Christ the Lord is Risen Today" the next two weeks. This hymn is an alternate text of "Jesus Christ is Risen Today" which we sang the last 3 weeks. This hymn is written to the tune called "Llanfair" by Robert Williams (1781-1821) and is the same melody to the Ascension hymn "Hail the day that sees him Rise" all 3 of which are written by Charles Wesley.

Today on the secular calendar, we also celebrate "mother's day" and in honor of Our Blessed Mother, we will also be hearing "Ave Maria" in it's most famous version by Franz Schubert (1797-1828).

Christ is Risen! Indeed He is Risen!

ST. GREGORY THE GREAT SCHOOL STUDENT NON-DISCRIMINATION POLICY 2024-2025

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

DID YOU KNOW?

Age-appropriate curiosity in young children: Knowing the difference between age-appropriate and inappropriate behaviors in children can help safe adults determine whether something feels "off" about a child's behavior and could indicate potential sexual abuse. For preschool children and young children (around ages 4-6), exploring their bodies is natural. They are not yet old enough to understand the idea of "private" naturally, and may also be curious about others' bodies – parents, friends, etc. These behaviors are common and developmentally appropriate for their age and stage. For more information, read the VIRTUS® article "Differentiating age-appropriate curiosity from harmful sexual behavior" at lacatholics.org/did-you-know/.

Curiosidad de niños pequeños apropiada para su edad:

Saber distinguir entre la conducta apropiada para la edad de los niños y lo inapropiado puede ayudar a los adultos de confianza a determinar si hay algo "raro" en el comportamiento de un niño y que podría indicar posible abuso sexual. Para los niños de edad preescolar y los más pequeños (entre 4 -6 años), explorar su cuerpo es algo natural. Naturalmente, no tienen edad para entender la idea de "lo privado" y también pueden sentir curiosidad por los cuerpos de los demás: padres, amigos, etc. Estos comportamientos son comunes y apropiados para su edad y etapa de desarrollo. Para más información, lea el artículo de VIRTUS® "Saber la diferencia entre la curiosidad apropiada para la edad de la conducta sexual peligrosa" (Differentiating age-appropriate curiosity from harmful sexual behavior) en <https://lacatholics.org/did-you-know/>.
