Respect Life Ministry

Will be Hosting our Food Sale

Sunday, June 8

The Respect Life Ministry is a group of individuals who care for matters pertaining to the respect for human life, from conception to natural death. Some of the activities we do include collection drives, food contests, and movie fundraisers to help our local pregnancy life centers. These centers support the vulnerable and families struggling financially or emotionally. We also provide education through literature and speaker luncheons.

Stop by the East Patio to learn more about our ministry, sign up on our mailing list of events, and try our breakfast burritos, hot dogs, chilli dogs, and nachos to support the church. Life is a precious gift from God. Please consider supporting our ministry. Thank you!

"From the Organ bench..."

"Veni Sancte Spiritus/Come Holy Spirit..."

Today mark's the Church's 3rd most important Feast, the Solemnity of Pentecost! This feast is so important, we have a rare liturgical "treat" which takes place during Mass, this is called a "Sequence". The Sequence is a special kind of Gregorian Chant that comes between the second reading and the Gospel acclamation. Sequences used to be a lot more common before the reforms of the Council of Trent (1545-1563) which reduced the number of sequences to 4, namely for Easter, Pentecost, Corpus Christi and Requiem Masses. The most famous of the 4 is the "Dies Irae" written for the Requiem (Funeral) Mass and has been quoted repeatedly in film scores and classical music. The Pentecost sequence will be heard today at the 8:00am and 10:00am Masses.

The authorship of the text for the Pentecost sequence is attributed to Pope Innocent III (1161-1216) and Archbishop of Canterbury, Stephen Langton (1150-1228). Although much too long to publish here, the full text can be found on page 172 of your purple missalette.

Pentecost is so solemn, it used to be marked by an "Octave", that is to say, 7 more days of celebration of Pentecost until the following Sunday much like Christmas and Easter still does today. But in the reforms of the Second Vatican Council in the 1960s, the Monday after Pentecost returns the Church to Ordinary time. Although many in the Church still personally observe the octave of Pentecost leading up to the glory of Trinity Sunday which we'll be celebrating next week.

Today at 10:00am Mass, our English Choir has been working hard on a special selection (called an "Octavo"). The title of this selection is "Lead me Lord" with music by Samuel Sebastian Wesley with a text derived from Psalms chapter 5, verse 8:

*"Lead me, Lord, in thy righteousness; make thy way plain before my face
For it is thou, Lord, thou, Lord only, that makest me dwell in safety"*

Come Holy Spirit!

-Justin Senneff, Director of Music

DID YOU KNOW?

Body safety information for young children: Children should know the difference between "okay" and "not okay" or "good" and "bad" touches – touches that are welcome and comforting, and those that are intrusive, unwanted, painful, or uncomfortable. Children should know that they have the right to say "no" to being touched, even to adults, and that no children or adults should touch their private parts unless in very specific circumstances, and for a healthy purpose. This is where it can be helpful to discuss "safe adults," like doctors, who check our bodies to help keep us healthy, and only in the presence of a parent or trusted adult. For more information on safety rules for very young children, read the VIRTUS® article "Sharing Developmental, Age-Appropriate Information with Children" at lacatholics.org/did-you-know/.

¿SABÍA USTED?

Información sobre seguridad corporal para niños pequeños: Los niños deben conocer la diferencia entre tacto bueno y tacto malo – los tactos bienvenidos y reconfortantes contra los que son intrusivos, no deseados, dolorosos y/o incómodos. Los niños deben saber que tienen el derecho de decir "no" a cualquier tipo de contacto no deseado incluso a los adultos, y que ningún niño o adulto deben tocar las partes íntimas salvo en circunstancias muy concretas y con fines sanitarios o médicos. Puede ser útil hablar de "adultos de confianza", como los doctores que revisan nuestros cuerpos para ayudar a mantenernos sanos, y sólo en presencia de un padre o un adulto de confianza. Para más información sobre las normas de seguridad para niños pequeños, lea el artículo de VIRTUS® "Compartir con los niños información adecuada para su desarrollo y edad" en <https://lacatholics.org/did-you-know/>.

ST. GREGORY THE GREAT SCHOOL STUDENT NON-DISCRIMINATION POLICY 2024-2025

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.
