STEWARDSHIP MOMENT: “*The stone which the builders rejected has become the cornerstone.*” - *1 PETER 2:7* Every person has been given gifts from the Holy Spirit. These are called “charisms” and they are used to build God’s kingdom of earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern their charisms and how God is calling them to use them. Remember - no gift is too small or insignificant in God’s salvation plan.

HOLY FATHER’S PRAYER INTENTIONS FOR MAY:

- **For church movements and groups:** We pray that Church movements and groups may rediscover their mission of evangelization each day, placing their own charisms at the service of needs in the world.

PLEASE JOIN US: May 13th was the first time in 1917 that Our Lady appeared to the three children at Fatima. At Fatima, she requested that devotion be established to her Immaculate Heart. That was her prescription for world peace. And how do we establish devotion to her Immaculate Heart? We say the rosary. How do we establish it in the world? We take the rosary to the world. We will be reciting the rosary before Mass (4:35 pm) on May 13th for this intention.

EVANGELIZATION CORNER: “Faith has to do with things that are not seen and hope with things that are not at hand.”
Thomas Aquinas

FATIMA CORNER: “The “Red Star” of Communism was appealing to so many in 1917, and already had a strong foothold in Portugal. In contrast, Our Lady of Fatima appeared with a star of light (some called it the Star of Esther) near the hem of her robe, and she was warning the people about the errors of Communism. THANK YOU to the family of Angie Blonigen for donating the funds to put the handicap door operator in the door up front to allow our parishioners to have easier access into the church. We appreciate your memorial in memory of Angie to help improve our facilities here at Sacred Heart. Thank you and God bless you for your generosity. **THANK YOU!**

“Motherhood involves a special communion with the mystery of life, as it develops in the woman's womb. The mother is filled with wonder at this mystery of life, and "understands" with unique intuition what is happening inside her. In the light of the "beginning", the mother accepts and loves as a person the child she is carrying in her womb. This unique contact with the new human being developing within her gives rise to an attitude towards human beings - not only towards her own child, but every human being - which profoundly marks the woman's personality...the mother's contribution is decisive in laying the foundation for a new human personality.”
Pope John Paul II
