While God is a God of profound miracles and can do the
"impossible," His primary purpose is to use you and me to
advance the Kingdom of God through our generous giving. God
the Father gave His Son, His Son (Jesus) gave His life. I
believe when we give, we are becoming more like Him! You
may feel like you have little to offer or a lot to offer, but
**remember that Jesus sees our sacrifice before He sees the
amount we give.** If you are in a position that makes this
impossible, we certainly understand! If we all do our best,
needs will be met and ministry to souls will take place.
Blessings in Christ!

Rosary Before All Weekend Masses

The New Life Pregnancy Center is excited to announce that we are in the process of heading in a new direction!

We will be having a new look and will be reaching out to those in need in our community in some new and exciting ways. We are looking forward to holding some fund raising events (remember the auction??) while still having things like our Annual Baby Bottle Drive. We're looking for your support in the coming months and hoping you might consider either donating to the center online through our website: stannechristourlight.com or

utilizing those blue envelopes that you receive monthly. We have a vision of what the center can become through marketing and word of mouth and pray that you will join us in our enthusiasm for our future.

WORSHIP & MEDITATION

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

Any good teacher or parent will tell you that once a lesson is really learned it doesn't need to be taught again. When we internalize things we have learned, they become a part of who we are and influence how we perceive and interact with our world. The same is true for the law God has written upon our hearts. Once humanity learns this lesson, we will simply know it to be true and act accordingly. Sometimes, it is hard to get people to learn the lessons they need to learn. They are often distracted, disinterested, conflicted, misdirected, or just too stubborn and unable or unwilling to see what is right before their eyes. Understanding that God is in a loving and committed relationship with those fashioned and formed in God's own image, seems like such a simple lesson to learn. But history and experience has proven that it is not.

We struggle with faith, especially when that faith asks us to learn something very particular about ourselves. We must, like a grain of wheat, fall to the ground and die. Because God's DNA is at the very core of who we are, there are specific pearls of wisdom that must be acquired before we can live a full life. One very powerful lesson is that it is not the task of the world to tell us who we are and what has meaning, but God. For many, death is not an opportunity for greater life but a permanent ending to the life they have known. Jesus knew every dimension to what it means to be fully human because he was! He knows the joys, limitations, sorrows, frustrations, wonders, suffering, opportunities, and joys of the human experience. Jesus can teach us a wealth of knowledge and life's lessons from his example, especially obedience.

When we accept the law God has placed in our hearts and gain wisdom from it, then when we suffer we learn to listen more attentively to the Voice behind that law. We naturally flee to our Creator for inspiration, consolation, hope, direction, and comfort as we navigate through this time of darkness. We will not need to run from it, subdue it, fight it, or be overcome by it because we will know, having internalized this profound lesson before, that God will bring new life. God's law is love and love never fails. Even in the moments of Jesus' deepest despair, he glorified the name of his Father. What he learned allowed him to put everything in perspective and be obedient to the tender, loving Voice that echoed within. As Lent quickly winds down, may we learn the same! Then, may we gain the fortitude and wisdom to help others see what is right before their eyes.
